**San Francisco Bay Area Rapid Transit (BART)** rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berryessa, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

## Fare Information

effective June, 2020  
Current fares can be found near ticket vending machines, online at [www.bart.gov](http://www.bart.gov) and using the official BART app.

### CLIPPER CARD

Clipper is a "smart card" with stored value that can be used on various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations—there is a one-time \$3.00 fee for the card. A minimum value is required to enter the system, so it is best to load fare on your card before entering.

Keep your Clipper card to use on most transit in the Bay Area and for future trips. Each passenger must have their own card.

Visit [www.clippercard.com](http://www.clippercard.com) to learn how to apply for cards with discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, or to add a BART High Value Discount (stored as a separate "purse" on the card).

### BART PAPER TICKETS

BART is phasing out tickets in 2020. There is an extra \$.50 per trip surcharge to use a BART ticket instead of a Clipper card. Once phased out, customers will not be able to purchase tickets at our stations or online. Tickets will still be accepted at fare gates, but you will only be able to add value to your ticket if it's needed to exit the system.

### BART EXCURSION FARE

BART's Excursion Fare allows you to tour the BART system for up to three hours on a \$6.20 fare, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.

### 511 Real-Time Departures

511 provides free, up-to-the-minute departure times for the transit agencies to the left that have this symbol. Other Bay Area transit agencies will be added in the future.

To find out when your next bus or train will depart, check nearby displays or simply call 511 and say "Departure Times." You'll then be asked to enter your Stop ID number. If you don't know it, you can say your agency name, and the system will prompt you to enter your route and stop. 511 will respond with departure times for your route and will also include the Stop ID for future use. You may also look up your stop's ID online at [511.org](http://511.org).

### Bicycles on Transit

Rail/Ferries: Bicycles are allowed on all Bay Area ferries and nearly all rail lines. Exceptions are San Francisco Muni Metro, historic streetcars, and cable cars.

Buses: Nearly all Bay Area public transit buses are equipped with bicycle racks.

General: While bicycles are allowed on most transit services, there are some space limitations and, in some cases, times when bicycles are not allowed on board. For specific transit operator policies and procedures go to [511.org](http://511.org) and click on the bicycling tab, or call 511 and say "bicycling" to speak to an operator who can answer your questions.
