

PEWTEER

This beautiful artwork, is part of Ambiente's unique and original collection of handmade and handcrafted aluminum (mexican pewter) decorative accesories and home decor exclusive bowls, vases, tableware and sculptural accents and art objects. Our elegant, unique and exclusive aluminum tableware and furnishings are handcrafted with passion. Mexican pewter is made with 95% aluminum and 5% zinc. It is famous for its shiny bright finish, very similar to silver, for its healthy and food friendly characteristics and for its affordable price. Our quality products are ecofriendly and manufactured with recycled materials.
