THANKS

WHO HELPED TO COLLECT ALL THESE INFORMATION

Important Notes

- 1. The Information of this report does not cover all the cases. Many incidents are not mentioned, either because the persons who have been affected by these incidents have already left Iraq or they were in a hurry to travel so they didn't recorded the incidents in Al-Mandi. The other reason is that some people refused to give information for the fear of revenge of the Perpetrators.**
- 2. Some families who are mentioned in this report are now living in (Syria , Jordan ,Yemen) and they are waiting their Fate.**
- 3. Some names have been repeated in the report because the person was first kidnapped and then killed, thus the name is mentioned in both cases.**
- 4. Please note that the spelling of few names may be slightly different from what is on the passport due to the language capacity of the passports officers in Iraq.**
