

# I.S./H.S. 86 – STATEN ISLAND

## DESCRIPTION

I.S./H.S. 86 is a fully air-conditioned, accessible four-story replacement building for D75 students at the Richard Hungerford School. The new school provides 38 classrooms, three physical therapy rooms, sensory rooms on each floor, a speech room suite, occupational therapy and changing rooms on each floor, and an ADL room.

The school also includes:

- a kitchen and cafeteria
- culinary art, multimedia and music room
- library
- gymnasium, outdoor playground and running track
- guidance and medical suites
