bauma 2022

The countdown is on, the preparations have begun

- **The set-up of bauma 2022 is well underway**
- **More than 3,100 exhibitors from around 60 countries**
- **More than 30 cranes set-up in the outdoor area**

Transporters, forklifts, cranes, machines and equipment, and the set-up teams in the middle of it all: The set-up of bauma, which will take place from October 24 to 30 on the outdoor area of the Munich exhibition grounds, is well underway. On October 11, other exciting segments will start their set-up phase in the 18 halls.

More than 3,100 exhibitors from around 60 countries

The world's leading trade fair for construction machinery, building material machines, mining machines, construction vehicles and construction equipment expects the visit of more than 3,100 exhibitors from around 60 countries. Spread over a total of 614,000 square meters (the same as roughly 86 soccer fields), split into 414,00 square meters of outdoor space and 200,000 square meters of hall space, bauma is the largest trade fair in the world in terms of exhibition space.

More than 30 cranes make up the crane forest

In addition to numerous excavators, dump trucks, asphaltting machines and mixing towers, when bauma opens its doors on October 24, participants can also once again look forward to the famous "crane forest" with more than 30 cranes.

About bauma

bauma is the world's leading sector event for construction machinery, building material machines, mining machines, construction vehicles and construction machinery. With a total exhibition area of 614,000 square meters, it is the largest trade fair in the world. In 2019, it broke all records with about 3,700 exhibitors from 63 countries and more than 620,000 visitors from over 200 countries. bauma is held every three years. The next event will be held in Munich from October 24 to 30, 2022.

bauma NETWORK

In addition to holding the world-leading bauma trade fair, Messe München has a wealth of experience when it comes to organizing other international construction machinery trade fairs. For example, Messe München also organizes bauma CHINA in Shanghai, and partners with the Association of Equipment Manufacturers (AEM) to organize bauma CONEXPO INDIA in Greater Noida/Delhi. In March 2017, the M&T EXPO was added to the bauma NETWORK in the form of a license agreement with SOBRATEMA (Brazilian Association of Technology for Construction and Mining).

Messe München

Messe München is one of the leading exhibition organizers worldwide with more than 50 of its own trade shows for capital goods, consumer goods and new technologies. Every year, a total of over 50,000 exhibitors and around three million visitors take part in more than 200 events at the exhibition center in Munich, at the ICM – Internationales Congress Center München, the Conference Center Nord and the MOC Veranstaltungszentrum München as well as abroad. Together with its subsidiary companies, Messe München organizes trade shows in China, India, Brazil, South Africa and Turkey. With a network of associated companies in Europe, Asia, Africa, and South America, and with around 70 representatives abroad for more than 100 countries, Messe München has a truly global presence.
