Table MCWA11: *As you may know, during Joe Biden's inauguration speech, he said 'we must end this uncivil war that pits red against blue, rural vs. urban, conservative vs. liberal. We can do this if we open our souls instead of hardening our hearts. If we show a little tolerance and humility, and if we're willing to stand in the other person's shoes."Would you say you approve or disapprove of Joe Biden's call to end the political division in the country?*
