On 24 February 2022, one day before it was due to resume, the 2021/22 championship was suspended following the imposition of martial law as a result of Russia's invasion of Ukraine. On 26 April 2022, the Premier-Liha general assembly announced the end of the championship, with the final rankings set as they had stood on 24 February 2022. No title was awarded and no clubs were relegated. The final rankings as on 24 February 2022 served as the basis for qualification for the 2022/23 UEFA club competitions. The executive committee of the Ukrainian Association of Football endorsed these decisions on 2 May 2022.
