Welcome to GSFF

Global Solidarity Forest Fund (GSFF) is a Sweden-based, investment fund focused on the forestry sector in Moçambique. GSFF develops projects that provide returns to its investors and at the same time promotes community development and environmental integrity.

GSFF was founded in 2006 by the Diocese of Västerås, Lutheran Church of Sweden and Opplysningsvesenets fond (OVF, national Norwegian church endowment). GSFF was created as a vehicle for financially responsible investment which at the same time contributes to social development and poverty alleviation in Moçambique.
