Also on Nov. 8, there will be an election for Governor in California. Which one of the following candidates would you be most likely to support on Election Day? If you have already voted, please select the candidate you voted for.

Also on Nov. 8, there will be a statewide vote on Proposition 1, titled "Constitutional Right to Reproductive Freedom", in California. Proposition 1 seeks to amend the California Constitution to expressly include an individual's fundamental right to reproductive freedom, which includes the fundamental right to choose to have an abortion and the fundamental right to choose or refuse contraceptives. This amendment does not narrow or limit the existing rights to privacy and equal protection under the California Constitution. How are you most likely to vote on Election Day? If you have already voted, please select the option you voted for.
