

NON- LETHAL EFFECTS

8111-103

“OPERATION CORTES BANK 11”(LVL 1) CACHE STORYBOARD

WHO: 7th Commando Kandak 2nd Company, MSOT 8111

WHAT: Cordon and Locate, KLE's, and follow on security patrols.

WHERE: IVO Bldg 1561, Qaleh Ye Gaz (b)(1) 1.4(a), Nahr-E-Saraj District, Helmand Province

WHEN: 18182030D*APR11

WHY: Increase support of ANSF/CF initiatives and decrease insurgent legitimacy IVO Shurakay Village.

END STATE/EFFECTS:

- Destroyed INS attempts to defeat Afghan Commando forces.
- Established foundation for positive relationships between tribal elders, local populace, Afghan Commando forces and the Government of Afghanistan.
- Developed Afghan Commando Force capacity, credibility, and effectiveness.

(b)(1) 1.4(a)

(b)(1) 1.4(a), 1.4(c)

SIGNIFICANCE:

- Degraded INS's will to continue combat operations against coalition and Afghan Commando Forces.
- Established rapport with tribal elders by, with and through the Afghan Commandos thereby setting the conditions for future engagement and sustainable progress.
- Promoted support for Coalition Forces to establish a secure environment for the restoration of essential services and economic development.

(b)(1) 1.4(a)

(b)(6)

EFFECTS ACHIEVED:

- Disrupted INS funding and resupply in local area.
- All effects achieved are internal to 7th Commando Kandak.
- Freedom of action for INS to conduct offensive operations is disrupted.
- Local Afghan perception and realization that the Government of Afghanistan, through ANSF, is actively providing for their security and regional stability.
- 7th Commando forces in the lead during all operations.
- Taliban seen as a failing cause.
