2002 – 2003 PRIMETIME EMMY AWARDS NOMINATIONS

Nominations for the 55th Annual Primetime Emmy Awards for the period of June 1, 2002 through May 31, 2003, were announced today (July 17) by the Academy of Television Arts & Sciences from the Leonard H. Goldenson Theatre, North Hollywood, California. The Academy's Chairman of the Board & CEO Bryce Zabel presided, assisted by Michael Chiklis and Jane Kaczmarek.

The awards presentation telecast awarding Emmys in 27 categories before a black-tie audience will be televised by the FOX Television Network on Sunday, September 21, from the Los Angeles Shrine Auditorium. The Academy's Governors Ball will follow the telecast at the Shrine Exhibition Hall, adjacent to the auditorium.

This year's Emmy telecast will be executive produced by Don Mischer, with Michael Seligman serving as supervising producer and Louis J. Horvitz directing.

On Saturday, September 13, also at the Shrine Auditorium, 62 awards "categories" (a single award) and "areas" (possibility of one, more than one or no award) will be handed out at a black-tie presentation co-chaired by Michael Hoey and John Moffitt and produced by Spike Jones, Jr.

Additional awards may also be given for the "juried areas" (no nominations) of Voice-Over Performance and Individual Achievement in Animation. The announcement of these awards, if any, will be released on August 11. Additional awards may also be given for Engineering Development, Interactive Television Programming and the Governors. These awards, if any, will be announced on July 21.

A total of 435 separate nominations in 89 categories and areas, compiled by the independent accounting firm of Ernst & Young LLP, were distributed as follows:

For example, performers, in addition to voting for programs, voted for performers, while writers voted for writers, directors for directors, etc. Peer panels made up of active Academy members will screen nominations during the month of August and, in secret ballot, select the Emmy winners.
