

Schedule Changes will be effective August 1, 2005

Our new schedule encompasses a number of significant changes. Please review the schedule below for changes which may affect your commute. A few of the significant changes are:

- Our overall run time for all trains (except the 03) have been reduced by 10 minutes
- We are now originating all AM and terminating all PM trains at the Stockton Station
- Service to Santa Clara will be suspended until construction projects are completed

STOCKTON to SAN JOSE				SAN JOSE to STOCKTON					
AM - WESTBOUND				PM - EASTBOUND
