

Project Cornerstone

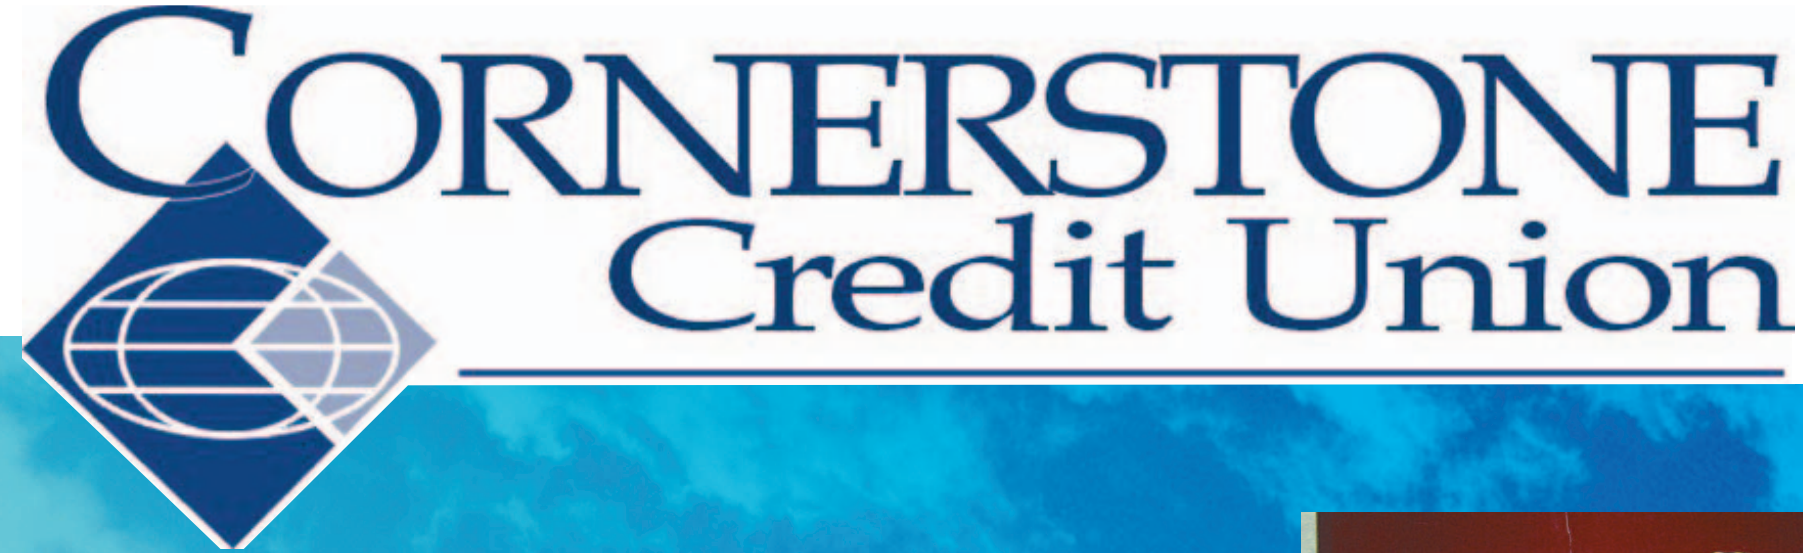

Cornerstone Credit Union was proud to launch a new community investment program in 2006, called Project Cornerstone. Project Cornerstone is a community investment program intended to help community groups within our trading area who are spearheading an effort to build, expand and/or improve facilities or programs to support the development of our communities. Funds will be made available through Project Cornerstone on an annual basis. With 2006 being the launch year of the program, \$15,000 was set aside with \$10,000 granted to the Theodore Curling Rink. The remaining \$5,000 will be granted to another group this spring. Watch for more details to come!

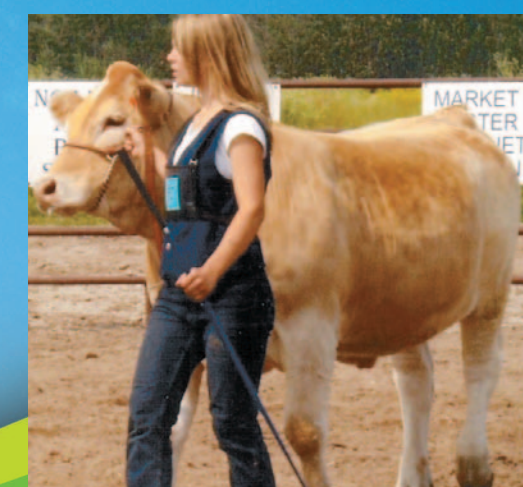

To qualify for Project Cornerstone funding certain criteria must be met and a formal application completed. Applications for the 2007 funding of Project Cornerstone will be made available in late spring of 2007. Watch the website at www.cornerstonecu.com or see your branch for more details!

Project Cornerstone is another example of Cornerstone Credit Union's dedicated commitment to the communities it serves!

CORNERSTONE Credit Union

2006 Contributions exceeded \$110,000

I would like to thank Cornerstone Credit Union for the scholarship. The money was used to help purchase the books needed for my first year of Commerce at the U of S. It was greatly appreciated! Grade 12 students are very lucky there are organizations in our community, such as Cornerstone Credit Union that encourage students in their pursuit of higher education.

Thank you!
Maria Yanko,
Ituna High School Scholarship Recipient

On behalf of the Saltcoats Volunteer Fire Department I wish to extend our sincere gratitude to Cornerstone Credit Union for the generous donation to the Saltcoats Volunteer Fire Department. Cornerstone Credit Union has always been very supportive of events we have done in the past. The money received in 2006 will be used towards the purchase of fire fighting gear and equipment.

Cornerstone Credit Unions 2006 Patronage Payment Totals \$1,015,000

2006 was a successful year for Cornerstone Credit Union. We are proud to share that success with our members and owners. A significant portion of our profits (45%) - \$1,015,000 - will be distributed to our members.

Over the last 3 years, Cornerstone Credit Union has returned over \$3.2 million to its members. It pays to be a member of Cornerstone Credit Union!

Relay For Life, a fundraiser for the Canadian Cancer Society was held in Wynyard for the first time in June 2006. It was a huge success thanks in part to the corporate sponsorship provided by Cornerstone Credit Union. This overnight event raised over \$68,522 with 30 teams taking part and 45 survivors walking the Victory lap. Thank you Cornerstone Credit Union for being an active part of our community!

Sincerely,
Lynne Neal, Co-chair Relay for Life 2006
