CONVENTION VENUES

Arthur R. Outlaw-Mobile Convention Center

The Mobile Convention Center is the Gulf Coast's premier meeting and convention facility.

Located in downtown Mobile, Alabama, is a remarkable structure, featuring an award-winning design and state-of-the-art equipment and services.

Showcasing our unique design are spacious lobby areas which feature two- and three-story atrium ceilings, nautical lighting themes, and over 45,000 square feet of exterior glass. Outdoor terraces encompass three sides of the center, and you have the opportunity to peer across the historic Mobile River on three different levels.

The Center's function space is highlighted by our 100,000 square foot Exhibit Hall, a 15,000 square foot Grand Ballroom, and 16 Meeting Rooms. Concealed service corridors complete our versatile convention facility.
