Oct	173	155	147	357	220	185	188

Each set of prices comes from a single merchant, co-op or broker, and are the latest prices being paid to farmers. Ranges of prices within one category relate to the distance of the farm from the buyer.

Oilseed rape prices are latest spot and forward prices, not contract prices. Ex farm prices vary with the distance from Hull, Liverpool and Erith, crushing factories.
