CEO MAGGIE FOX’S STATEMENT ON PASSAGE OF AMERICAN CLEAN ENERGY AND SECURITY ACT BY THE HOUSE ENERGY AND COMMERCE COMMITTEE

Washington, DC – Maggie Fox, CEO of the Alliance for Climate Protection today issued the following statement on the passage of the American Clean Energy and Security Act out of the House Energy and Commerce Committee:

“Chairmen Markey and Waxman deserve the highest praise for undertaking the task of crafting this historic legislation. The bill’s achievable emissions targets and clean energy and efficiency standards are important steps towards reinvigorating our economy by creating millions of new American jobs and avoiding the worst effects of climate change. We will now look to the full Congress to strengthen and to pass this legislation that will repower America.”

About the Alliance for Climate Protection:

The Alliance for Climate Protection is a nonprofit corporation organized for, but not limited to, the charitable and educational purpose of educating the public about the causes of and solutions to climate change, in the United States and throughout the world.
