DRAKE SCORES SECOND STRAIGHT NO. 1 ALBUM

CHART CONFIDENTIAL

By Paul Tuch
paul.tuch@nielsen.com

Drake lands his second straight number one album as his sophomore full-length release "Take Care" (Universal) enters at the top of the Albums chart with 48,000 copies sold. It is the third biggest one week sales total so far this year, only

behind Lady GaGa's "Born This Way" and Coldplay's "Mylo Xyloto." It is also the biggest one week sales total for a Canadian artist since Nickelback's "Dark Horse" sold 60,000 copies in its first week of release back in November 2008.

Drake's previous best sales week was when his debut full-length album "Thank Me Later" sold 31,000 units in its first week in June 2010. The title cut from "Take Care," featuring Rihanna, debuts on the Billboard Canadian Hot 100 at No. 17, as the track enters at No. 10 on the Digital Songs chart with 11,000 downloads sold. A second track, "The Motto" debuts on the Canadian Hot 100 at No. 80.

This week's Hot Shot Debut on the Canadian Hot 100 belongs to the Glee Cast with their covers of Adele's "Rumour Has It/Someone Like You" (Sony) at No. 12, one of four songs to debut this week. The track lands at No. 4 on the Digital Songs chart with 14,000 downloads sold. It is the cast's best debut and peak on

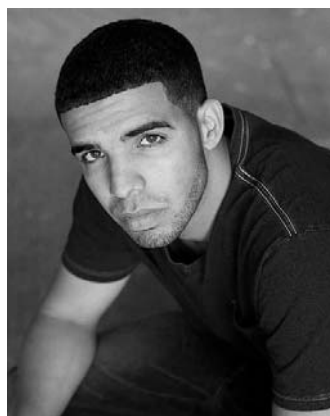

the Hot 100 since "Loser Like Me" entered at No. 9 in March. Their second album of Christmas songs debuts on the Top Albums chart at No. 6 with 11,000 copies sold. It is their best one week sales total since their "Volume 4" album sold 16,000 units in December 2010.

The top two remain the same on the Canadian Hot 100 with Rihanna's "We Found Love" (Universal) at No. 1 (and

moving to No. 1 on the Hot 100 Airplay chart) and LMFAO's "Sexy And I Know It" (Universal) at No. 2. Flo Rida's "Good Feeling" jumps 6-3 and lands Greatest Gainer/Airplay honours, moving 9-7 on the Hot 100 Airplay list with a 17% audience increase.

Bruno Mars' "It Will Rain" (Warner) jumps 15-9 on the Canadian Hot 100 and scores Greatest Gainer/Digital honours. The song, featured on the soundtrack to the new "Twilight Saga" film, moves 12-9 on the Digital Songs chart with a 58% download increase to 11,000.

Drake leads a pack of four Canadian acts in the top five of the Albums chart. Michael Buble's "Christmas" (Warner) drops to No. 2 despite posting a 16% sales increase over last week, to 38,000 copies. Justin Bieber's "Under The Mistletoe" (Warner) falls to No. 4 with 17,000 copies sold. Les Cowboys Fringants' "Que De Vent" (DEP) enters at No. 5 with 12,000 copies sold, their fourth top ten album.

Drake's "Take Care" debuts at No. 1 on the Top Albums chart with the best one week sales total for a Canadian artist in three years.

BDSradio is a terrific programming tool. I like to drill down and find things that aren't obvious on the surface, so I get a lot of mileage out of customizing long-term reports, but still being able to zero in on specific days and hours that are relevant to the situation.

The most popular songs by emerging Canadian artists according to all-format airplay audience impressions measured by Nielsen BDS and digital sales data compiled by Nielsen SoundScan. To qualify for this chart an artist must a) be Canadian and meet the CRIC "A" definition (music or lyrics principally performed by a Canadian artist) and b) the selection must qualify as Canadian content (CanCon). Artists are considered emerging until 12 months after the date their first Canadian Hot 100 charting entry reaches the top 40. Artists that pre-date the Hot 100's June 2007 launch are judged on the historic CRIC regulations for Hit and Non-Hit. Once an artist has a title disqualified on these points, their entire catalogue is disqualified. ● Titles showing an increase in overall points over the previous week, regardless of chart movement. ♣ Indicates CanCon. ©2011, Prometheus Global Media, LLC and The Nielsen Company.

RIHANNA TOPS TWO CHARTS

Rihanna's "We Found Love" jumps 2-1 at CHR/Top 40 and 3-1 on the All-Format chart. It is her fifth chart-topper at CHR and first since "S&M" spent two weeks at the top in April. It is her second No. 1 on the All-Format chart and first since "Only Girl (In The World)" last December.

"These Days" moves 2-1 on the overall Rock chart, giving the Foo Fighters their third number one song from their latest album "Wasting Light." It is their 12th chart-topper at the format, with seven of their last eight singles all reaching No. 1.

Mia Martina's "Burning" leaps 49-29 at CHR/Top 40 with the biggest spin increase of the week at the format. It is her follow-up to the No. 15 "Latin Moon."
