# **Statistical Summary of Students and Staff**

**University of California**

**Fall 2011**

## **Foreword**

The University of California *Statistical Summary of Students and Staff* for fall 2011 is divided into three sections: Enrollment, Degrees Conferred, and Personnel. Each section provides information for the University as a whole and for each of the ten campuses at which students are enrolled: Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Barbara, and Santa Cruz. The Personnel section also provides information for the Office of the President and the Division of Agriculture & Natural Resources. Explanatory notes located at the end of the document provide definitions for the terms used in the tables.

In addition to current year information, this *Statistical Summary of Students and Staff* displays statistics for the prior year and the percentage change between years. Further historical data are available on the *Statistical Summary of Students and Staff* web site at:

<http://www.ucop.edu/ucophome/uwnews/stat/>

Data for the *Statistical Summary of Students and Staff* were generated from the University of California Corporate Student System and Corporate Personnel System. These systems are maintained by the Office of the President and incorporate data provided by the campuses. Questions about the content of the Enrollment and Degree sections of the report should be directed to Chris Handy at (510) 987-9417. Questions about the content of the Personnel section of the report should be directed to Brandon Wong at (510) 987-9550.

An electronic version of the *Statistical Summary of Students and Staff* for fall 2011 may be downloaded from <http://www.ucop.edu/ucophome/uwnews/stat/>. Printed copies may be obtained by sending an email request to [dwcshelp@ucop.edu](mailto:dwcshelp@ucop.edu).

## **Explanatory Notes**

1. All enrollment counts consist of students who are registered at the end of the third week of classes. Students in the Education Abroad Program are included in the enrollment of each general campus.
2. Undergraduate students who have met all the requirements for admission to the University are classified according to the number of units of credit completed as follows:

Freshman	between 0 and 44.9 quarter units (0-29.9 semester units);
Sophomore	at least 45 but not more than 89.9 quarter units (30-59.9 semester units);
Junior	at least 90 but not more than 134.9 quarter units (60-89.9 semester units);
Senior	at least 135 quarter units (90 or more semester units).

In addition to those students who have met all of the requirements for admission to the University are Special, Limited, and Postbaccalaureate students who are defined as follows:

Special	lower division students of mature years who have not had the opportunity to complete a satisfactory high school program, who have not completed a substantial amount of college work, and who, by reason of special attainments, may be prepared to undertake courses in the University toward a definite and limited objective;
Limited	upper division students with bachelor's degrees who are not candidates for an advanced degree or those without bachelor's degrees who have completed a substantial amount of college work and who, by reason of special attainments, may be prepared to undertake certain courses in the University toward a definite and limited objective;
Postbaccalaureate	students who hold a baccalaureate degree whose sole objective is a teacher education credential.

For tables in this report, undergraduates in the groups above are aggregated into the following categories:

Lower Division	freshmen, sophomores, and special students;
Upper Division	juniors, seniors, and limited students;
Postbaccalaureate	postbaccalaureate students.

3. Graduate students are those students holding a bachelor's degree or its equivalent who have been admitted to the Graduate Division and who are working toward a higher degree or credential. Graduate students are classified according to degree objective and progress toward the degree as follows:

Master's	students working toward a master's degree, a certification credential, or a non-doctoral first professional degree (e.g., Juris Doctor, Master of Business Administration), and students who have no degree objective;
First Doctoral	students working toward an academic or professional doctorate (e.g., Doctor of Medicine, Doctor of Dental Science) who have not been advanced to candidacy;
Second Doctoral	students working toward an academic or professional doctorate who have been advanced to candidacy.

For enrollment tables in this report, graduate students in the groups above are aggregated into the following categories:

First Stage	master's and first doctoral students;
-------------	---------------------------------------

- Second Stage second doctoral students.
4. Full-time status and part-time status of students registered at the University are defined as follows:
- Full-time undergraduate students enrolled for 12 or more units of credit in a given term, first stage graduate students enrolled for 8 or more units of credit in a given term, and second stage graduate students;
- Part-time undergraduate students enrolled for fewer than 12 units of credit in a term and first stage graduate students enrolled for fewer than 8 units of credit in a term.
5. The registration status of students registered at the University is classified as follows:
- New students enrolled for the first time in regular session;
- Continuing students enrolled in regular session whose enrollment at the reporting campus has not been interrupted;
- Returning students returning to the reporting campus after an absence of two or more quarters. For some campuses, a student returning after an absence of one quarter will also be classified as a returning student.
6. University personnel are classified as follows:
- Academic academic administrators, regular teaching faculty, lecturers and other teaching faculty, student assistants, researchers, librarians, Cooperative Extension researchers, university extension faculty, and other academic personnel;
- Non-Academic senior management (SMG), management and senior professionals (MSP), and professional and support staff (PSS).
7. The University's instruction and research programs are organized into two broad categories, general campus and health sciences:
- Health Sciences primarily offered through 15 schools providing education and training to students preparing for careers in clinical care, teaching, and research, as well as selected other programs;
- General Campus all non-health sciences programs are categorized as general campus.
