The members of the conference are committed to the philosophy of maintaining intercollegiate athletics as an integral part of the overall educational program. To this end, the conference believes in and subscribes to the fundamental principles of amateurism, institutional control, sound academic standards, financial aid, recruiting, and ethical conduct that governs intercollegiate athletics, and the enforcement of rules and regulations as adopted by the National Collegiate Athletic Association.

HISTORY AT A GLANCE

In 1920, eight men representing six colleges from the state of Texas met to discuss collegiate athletics and the many challenges that face their respective institutions. By the time the session in Houston had concluded, they had founded an athletic league that has slowly become one of the leading sports associations in the world of collegiate athletics, the Southwestern Athletic Conference. The founding fathers of the original "Super Six" were:

- C.H. Fuller of Bishop College
- Red Randolph and C.H. Patterson of Paul Quinn
- E.G. Evans, H.J. Evans and H.J. Starns of Prairie View A&M
- D.C. Fuller of Texas College
- G. Whitte Jordan of Wiley College
