Britannica Global Edition

Current and Comprehensive

The editors of Encyclopædia Britannica, the world standard in reference since 1768, present the *Britannica Global Edition*. Developed specifically to provide comprehensive and global coverage of the world around us, this unique product contains thousands of timely, relevant, and essential articles drawn from the *Encyclopædia Britannica* itself, as well as from the *Britannica Concise Encyclopedia*, the *Britannica Encyclopedia of World Religions*, and *Compton's by Britannica*.[®] Written by international experts and scholars, the encyclopedic articles in this collection reflect the standards that have been the hallmark of the leading English-language encyclopedia for over 240 years.

Perfect reference for:

- Research for academics and students at secondary school and higher education
- School projects and presentations
- Exploring your interests further
- Broadening your general knowledge
- Quizzes and competitions
- Answering just about any question on any subject

Timely coverage—from global warming to the iPhone, from Mumbai to Obama

Easy to refer—compact size with hard – back cover.
