¹ Data for departments administered by two colleges are shown separately for each administering college. Departments administered by Agriculture and Life Sciences and Liberal Arts and Sciences: Biochemistry, Biophysics and Molecular Biology; Economics; Ecology, Evolution and Organismal Biology; Genetics, Development and Cell Biology; and Sociology. Department administered by Agriculture and Life Sciences and Engineering: Agricultural and Biosystems Engineering. Department administered by Agriculture and Life Sciences and Human Sciences: Food Science and Human Nutrition.

² Instructional FTE (full-time equivalent) is the portion of salary paid from departmental General University funds; used in the SCH/FTE ratio.

³ SCH (student credit hours) are calculated by multiplying the course credit by the number of students enrolled in the course.

⁴ Faculty are counted in department of primary rank.

⁵ For undergraduates with more than one major, the degrees awarded and the majors are counted in each department administering the major. They are counted only once in the All Colleges and University totals. Undergraduate Interdepartmental degrees and majors are comprised of second majors only.

⁶ NASF (Net Assignable Square Footage); in Veterinary Medicine, Vet Clinical Sciences includes Veterinary Medical Center NASF.

⁷ The SCH per FTE ratios for the colleges exclude SCHs with no associated instructor FTEs as well as SCH and FTEs not assigned to academic departments (where the SCH are generated primarily through contributed service); the University ratio also excludes Veterinary Medicine.

⁸ Effective FY 2013: Art & Design changed to four separate departments; School of Education formed from two existing departments.

⁹ Software Engineering (jointly administered in Electrical & Computer Engineering and Computer Science): degrees are listed separately in both Engineering and Liberal Arts & Sciences colleges. They are counted only once in the All Colleges and University totals.

¹⁰ Post Docs not enrolled in classes are not included in college counts.
