# **MOST WANTED TERRORISTS (2012)**

**FEDERAL INVESTIGATION AGENCY  
ISLAMABAD, PAKISTAN**

## **PREFACE**

Since the restoration of democracy and representative Government in 2008, Pakistan is vigorously confronting various terrorist groups with considerable courage and determination. However, the progress in curbing terrorism is always gradual and very painful. More than 50,000 persons have sacrificed their lives in brutal terrorist attacks all over the country specially in FATA, KPK and Balochistan. The casualties include unarmed citizens, elders, leaders, soldiers and policemen. Terrorists have neither spared women, elderly persons nor innocent children. Furthermore economy has suffered losses of billions of dollars.

The cowardly attack on Malala Yousafzai, murders of 04 polio volunteers, suicide / IED attacks on schools, mosques and minorities are some manifestations of terrorists aims and objectives. The challenge to curb and contain terrorism is a daunting one and it has few parallels in modern history. But we can not afford to give up or loose this struggle to bring peace and development to our society.

The grave challenge to our national security demands that Federal and Provincial Governments plan and act in unison, and ensure timely and proper co-ordination between Police Departments and Intelligence Agencies to detect, apprehend and prosecute terrorists involved in heinous cases. One basic step towards eliminating terrorist activities is the proper identification of MWTs and their associates / facilitators. These fugitives from law should not be allowed to plan, associate, communicate, finance, travel and lodge with ease anywhere in the country.

The Provincial CID's/ CTD and CTW FIA have taken the first steps to prepare National Database to collect, store and effectively disseminate information about MWTs, Terrorists Incidents and Organizations. The current book on MWTs is a product of co-operation between various Law Enforcement Departments. **Furthermore, in 2012 the previously known CTWs "Terrorist Information System" and "Terrorist Incidents Analysis System" have been converted into "National Criminal Database" jointly owned and operated by CTW FIA and Provincial CIDs / CTDs.** The system is now connected live to all Provincial CIDs / CTDs. Each department can enter its data and also review terrorists incidents and IEDs analysis and latest terrorists trends and patterns etc. NCDB will be subsequently connected to all Police Districts.

While all measures have been adopted to ensure accuracy of entered record, however, information and record regarding secretive terrorist organizations and their members is never up to date. **Hence we welcome inputs, suggestions and querries at E-Mail address: ctw.fia.gov.pk@gmail.com**

**NOTE: THE LEGAL STATUS OF ALL ACCUSED AND FUGITIVES MENTIONED IN THIS BOOK IS ALWAYS SUBJECT TO LATEST DECISIONS OF THE COMPETENT COURTS.**

**December 2012**

<b>Any other information</b>	<p>According to record Hassan called Khurram and Shamim and went to Khurram's house to see suicide bomber Sajid. Next day Khurram, Shamim and Sajid went to Rawalpindi courts to show the target to Sajid (SB). Later on Hassan changed the target from SP office to DIG office Rawalpindi. Shamim developed some sympathies with Sajid and decided to abandon the plan. He asked Khurram to switch off his mobile and directed him not to handover Sajid to Hassan. He went to Miranshah and met with Qari Hussain (later on killed) and told him about the change of target by Hassan. Qari Hussain called Khurram back to Miranshah. Sajid (SB) was handed over to his family. Qari Hussain decided that Baba and Hassan would decide the future plan by themselves. Hassan also came there. Qari Hussain directed Hassan to hand over the suicide bag to Khurram which he did on their return to Rawalpindi. Ustad was relocated by Qari Hussain to Land Muhammad Khel. The reason of relocation was that Ustad was angry over Hassan's conduct and Baba was defending him as he was introduced to the group through Baba. This led to serious differences between them and finally Ustad was relocated by Qari Hussain. Later on Shamim Alam met again with Qari Hussain and apprised him of new plan of abduction of a lawyer. Qari Hussain approved and paid him Rs. 100000/- through one Qari Saleem his close aide. On 15-08-2008 Shamim reached Rawalpindi and stayed with his friend Zaheer Abbas at Bhara kau Islamabad. During custody Shamim Aalam identified pictures of Qari Hussain and Qari Saleem.</p>
