

Limerick City Council - Coat of Arms Usage Guidelines

The **Limerick City Council** coat of arms is comprised of two elements: the symbol and the typography. The elements of the coat of arms must always appear in this configuration. Always reproduce the coat of arms from original artwork. Never redraw, recreate or distort. The typography must not be replaced with a standard typeface. The coat of arms must not be redrawn.

This guide should be used by everyone who produces electronic or print material that incorporates the **Limerick City Council** coat of arms.

The **Limerick City Council** coat of arms must always be shown as it appears opposite. The entire signature has been specifically drawn and must not be redrawn.
