

The STAC cricket exchange was highly anticipated by all this year, but began with great disappointment as both teams waited for persistent rain to clear on the first day. At 2pm the game was called off and the boys returned to school to support the other teams. Day two was a beauty and play was underway at 11am. JMC bowled first after losing the toss and the STAC boys compiled a solid 244 with captain Henry Shipley scoring a century. At around 40-2, JMC looked reasonably comfortable in the chase, but a few quick wickets led to a disappointing collapse as the team was dismissed for 114. Despite the loss, it was a good day out in the sun for the boys and a strong motivator to perform better next year in Christchurch.
