CENTRAL COAST TOURISM NEWS & EVENTS

Penguin's Twilight Celebration of the Dead

Penguin is welcoming the return of its ancestors and others in a community celebration at 7.00pm Wednesday 7 January 2015 in the [Penguin General Cemetery](#).

Join us in honouring the spirits of bygone times as they return to the town's amazing location with its voices in the wind and stunning moonrise views over Bass Strait. Commemorating the centenary of the unknown grave, we celebrate the lives of all unknown burials.

For one-hour we are opening this heritage gem to the living and the dead alike. In the small garden dedicated to the unnamed babies and children of bygone days, we will salute the dead and rejoice in life. The live musical event will end with the magnificent and moving butterfly release.

This event is funded by the Australian Government's Better Access to Palliative Care across Tasmania Program, through the Tasmanian Association for Hospice and Palliative Care 'Networking End of Life Care' Project. Email: penguintwilightcelebration@gmail.com

Visitor Services; enhancing the way we provide these services

Council is committed to continually exploring innovative ways of doing things better to provide services to our community and our visitors. As part of this continuous improvement commitment, over the past few months we've had a team of people working together to explore new and exciting ways to provide visitor services to those people visiting Central Coast.

Why do we need to do this? - Visitor numbers into the visitor centres and museum can be erratic and due to changing trends in the use of technology our numbers at the Centre may reduce so we need to look at things a little differently to ensure we're providing visitor services in the best and more customer focused way possible.

What do we plan to do? - One of the things the team are planning to pilot over the summer months during our wonderful community events is the role of a "Roving Ambassador". This is simply an alternative method of providing visitor information and services to people by going to them rather than them just coming to us at our Visitor Centre, hence the name "Roving Ambassador".

If you are interested in becoming a "Roving Ambassador" or have any questions, please contact Susanne Clear on 6425 2839 or via email at Susanne.clear@centralcoast.tas.gov.au

Emergency Road Works – Liffey Falls

The Tasmanian Parks and Wildlife Service advise that critical road works within the Liffey Falls Conservation Area will be undertaken from 8 – 12 December 2014. During this time the road to the top (main) car park and picnic area will be closed as will access to the Falls via this route.

Come for the Day or Come to Stay – Wings Wildlife Park, Gunns Plains

Looking for ideas for the school holidays? Camping on the flats along the banks of the Leven River at Wing's Wildlife Park is very popular, with so many things to do in a great location. Bring your kayaks, go fishing, splash about in the water, play cricket, go for walks, ride your bikes, or just relax under the shade of a tree. Why not bring some friends? We also have powered sites, backpacker units and cabin accommodation available, so there's something to suit everyone.

Is there anything cuter than a Tasmanian devil joey? You can get up close and personal with one of our babies as part of our Tassie devil feeding session and encounter, held at 1pm every day. We have hand-raised some little devils so that you can give them a pat, and you'll be amazed how soft their fur is.

You'll see the bigger Tassie devils quarrelling over their food just like they would in the wild, and learn about their behaviour, personality, and breeding.

Other babies at the park include marmosets – sometimes venturing out on their own now, sometimes hanging on to Mum's back. They're very playful and mischievous.

Our emus have hatched their eggs. Emu chicks look very different from their parents, with their beautiful stripes and patterns, designed to camouflage them in the wild.

Koala interaction is at 11.30am and 2.30pm every day. Kangaroos, some with joeys in their pouches or by their side, will eat grain out of your hands. Fish will splash as they jump out of the water to catch the food you throw for them. You can talk to the cockatoos and see many more birds and animals. Wings Wildlife Park is fun for all ages.

Entry to the Farm Walk is included in all accommodation fees. This area includes buffalo, bison, camels, alpacas, ponies, ostrich, emus and more. Entry to the main Wildlife Area has an additional charge, but you will only need to pay once during your stay and it will cover you for all the subsequent days you stay at the Park. Cabin guests have discounted entry rates.

So many choices...COME FOR THE DAY OR COME TO STAY at Wings Wildlife Park. Check out our facebook page to see some of the animals we have here or see our website for more information.

Suzanne Charleston Gallery

Leven Regional Arts have developed the Suzanne Charleston Gallery in the building behind Lancaster House. They plan to open the doors to the public from 10am to 4pm on Thursdays, Fridays, Saturdays and Sundays throughout the summer period - commencing Saturday 29th November. The emphasis of the gallery will be upon profiling and exhibiting LRA member artists, with sales opportunities for work at a minimum price level of \$50. It is designed to give the feel of an Art Gallery rather than a gift shop/gallery. LRA wants to work in harmony with commercial outlets such as Under the Oak, the Visitor Information Centre, and our members' space at the Gawler Gallery, which has become the "home base" for Leven Regional Arts in Ulverstone. The vision is for LRA, as a not-for-profit organisation, is to support the development of an arts hub in the town for the benefit of the local community and our visitors, and to attract community participation and membership.

Local Historic Museum Wilmot

Take a bus trip to the township of Wilmot, winner of "Keep Australia Beautiful, Sustainable Communities Tidy Towns Award for 2013/14, and visit the historic Wilmot Heritage Museum. A new extension displays memorabilia and detailed family histories, photographs, clothing, documents, items relating to the military conflicts, and much more. En route, see the famous Novelty Letterbox Trail, Wilmot Hills Winery, and Fletcher's End Olive Grove.

If you have an item to add to the newsletter or would like more information, please contact Susanne Clear at the Ulverstone Visitor Information Centre, phone 6425 2839, email info@coasttocanyon.com.au
