

1.2L TSI engine. Maximum power. Minimum consumption.

Engines should be about getting more, not settling for less. The Polo GT TSI's revolutionary 1.2L engine strikes a fine balance between both, power and efficiency. It dominates with a 105PS and 175Nm torque. And, as if that isn't a mouthful, it even boasts of a 7-speed DSG (Dual-shift Gearbox) transmission.

You'd think that all this power would gobble a lot of fuel, but you'd be wrong. At 17.21 km/l*, it's just a sip. It gets you through more kilometres, with lesser emissions too.

Complementing this breakthrough internal framework is the superior build quality of Volkswagen. Trust us, it won't cost you the earth.

*As per ARAI test.

Specifications

Variant	Description	Polo GT TSI	Polo GT TDI
Engine and Transmission	Engine type	1.2L TSI, 4-cylinder In-line	1.5L TDI, 4-cylinder In-line
	Displacement (cc)	1197	1498
	Bore x Stroke	71.0 x 75.6	77.0 x 80.5
	Fuel efficiency (km/l)*	17.21	19.91
	Transmission	7-speed DSG	5-speed MT
Performance	Max. power [PS(kW)]@rpm	105 (77) @ 5000	105 (77) @ 4400
	Max. torque (Nm@rpm)	175 @ 1500-4100	250 @ 1500-2500
Steering	Type	Electronic Power Steering	
	Turning radius (metres)	4.97	
Brakes	Front	Disc	
	Rear	Drum	
Weight	Kerb weight (kg)	1109	1148
	Gross vehicle weight (kg)	1580	1620
Exterior Dimensions	Length (mm)	3971	3971
	Width (mm)	1682	1682
	Height (mm)	1469	1469
	Wheelbase (mm)	2469	2469
	Front/Rear track (mm)	1460/1456	1460/1456
	Minimum ground clearance (mm)	165	165
	Tyres and Wheels	185/60 R15 (Alloy)	185/60 R15 (Alloy)
Fuel Tank	Fuel tank capacity (litres)	45	45

The Polo GT TDI and TSI

Volkswagen. Das Auto.

The revolutionary 1.5L TDI engine.

A 1.5L TDI engine. A 5-speed gearbox. 105PS and 250Nm torque. When your car has power this formidable, it shows. And makes for a performance that Indian roads don't see quite often. With this untameable power comes a surprisingly commanding torque. The result is an engine that makes its presence felt a whole deal faster.

It doesn't take much either. With fuel consumption at 19.91 km/l*, it means more efficiency, lesser emissions and a happy conscience too.

Whether it's fuel efficiency, power, stability or the sheer thrill of driving, we engineer our cars so that you can enjoy a world-class Volkswagen experience. And do your bit for the environment as well.

*As per ARAI test.

Cruise Control

Cruising on the highway is more pleasurable than ever. For your driving benefit, we've added the Cruise Control feature that allows you to maintain a steady speed without any added effort. Long drive, anyone?

Cooled Glove Box

What if we told you the glove box sitting in front of you had a cooling component? Well, that's exactly the kind of thing you can now take advantage of. No matter how long the ride, you can keep your chocolate bars cold and your juice box fresh.

7-speed Automatic DSG Transmission

When it comes to industry benchmarks, we'd rather set some of our own. One drive with the 7-speed Dual-shift Gearbox (available in the Polo GT TSI) and you'll be a believer too. The automatic transmission and smooth gear handling in this refined piece of technology promises an exhilarating performance and unforgettable drive. Seventh heaven, anyone?

'Estrada' Alloy Wheels

Made from sturdy one-piece cast aluminium and considerably lighter alloys, the wheels ensure better ride quality, road handling and suspension responsiveness. And not to mention, more head-turns per corner.

Aluminium Pedal Cluster

Have the world at your feet, quite literally. A gentle touch of the stylish aluminium pedal cluster and you'll have the engines at your command, with a sporty drive to boot.

Electrically Foldable Mirrors

When it comes to the driver's point of view, everything spells perfection. Like the electrically foldable mirrors with turn indicators that you can adjust sitting right at your seat. The convenience of folding it with a touch, even in tight spaces.

Multimedia Console

The revamped front console near the driver's seat puts you firmly in control. It boasts of thrilling highlights, such as an instrument cluster with a speedometer, an odometer and a rev counter. For added comfort, the tilt and telescopic steering wheel is height and reach adjustable. And besides the audio controls, you can now use Voice Command to connect your phone with the centre console, in just a flick.

Stylish Upholstery

The Polo GT TDI & TSI complement their unstoppable power with impeccable styling inside. Dual-tone seats adorn the front, featuring height adjustments for the driver. Made with superior 'Milan' Titanschwarz fabric upholstery, they make for a perfect picture, and come with the added comfort of adjustable head restraints and folding backrests.

Electrically Foldable Mirrors

When it comes to the driver's point of view, everything spells perfection. Like the electrically foldable mirrors with turn indicators that you can adjust sitting right at your seat. The convenience of folding it with a touch, even in tight spaces.

Doorstep Garnish

The moment the doors swing open, you know you're in distinguished company. Your entry is marked out stylishly for you, with the sporty logo embossed onto the threshold.
