# **CHOOSE** JACKSON STATE...I DID

Meet Dr. Linda Johnson, director of optometry for Jackson-Hinds Comprehensive Health Center. As a former president of the National Optometric Association, Dr. Johnson helped shape policies regarding vision care for an entire nation.

As the first black female optometrist in Mississippi, Dr. Johnson is both a trailblazer and a role model. And like Jackson State University, the No. 3 producer of African-Americans with bachelor's degrees in biological and biomedical sciences, Dr. Johnson strives for excellence.

## DIRECTOR OF ATHLETICS

Director of Athletics  
Robert L. Braddy, Sr.

Robert L. Braddy, Sr. enters his fifth year as Jackson State's director of athletics. Having served as the Tigers' baseball coach for 28 years, Braddy has a long and impressive association with Jackson State athletics. A 1964 JSU graduate, Braddy also served as the University's interim director of athletics in 2000. Under his leadership the JSU Athletics programs have won 17 SWAC titles and captured the Commissioner's Cup (the James Frank Award) four times, as well the men's and women's all sports awards.

Braddy is the winningest baseball coach in SWAC history. Between 1973 and 2001, his teams won 12 SWAC championships, more than any other coach in league history. He guided the Tigers to three NCAA tournament appearances, two NCAA play-in games and four NAIA tournaments. Braddy was named SWAC Coach of the Year nine times. In 2003, Braddy became the first African American to be inducted into the American Baseball Coaches Association Hall of Fame.

In 1973, T.B. Ellis, JSU's director of athletics, invited Braddy to join the department as the first full-time head baseball coach. Braddy's first conference title came during his first season as JSU's head coach. His team won back-to-back titles in 1977 and 1978, and again in 1989 and 1990. He also won three consecutive SWAC titles from 1993-95. His other league championships came in 1980, 1982, 1986 and 2000.

Since Braddy's first season at JSU, 52 of his players have reached the professional ranks, including Dennis "Oil Can" Boyd, Marvin Freeman, Wes Chamberlain, David Clark and Curtis Ford. He produced two first round draft choices in outfielder Clark (1983) and pitcher/outfielder Earl Sanders (1986).

Braddy finished his JSU coaching career with an 824-546 record in 2001. His 1978 team won 52 games while losing only 12, which is a university and conference record. The 1982 Tigers baseball team was the first to represent the SWAC in the NCAA playoffs.

Braddy was named NAIA District 30 Coach of the Year twice and SWAC Coach of the Year nine times. He was inducted into the JSU Hall of Fame in 1985. Braddy also played baseball for the JSU Tigers under Coach Joe Gilliam, Sr. and was named to the 1962-63 All-Conference SWAC teams.

Before joining the Tiger athletics staff, Braddy coached at McLaurin High in Florence, Miss. where his team compiled a 64-14 record and won the Highland Conference championship four of the six years he coached. He spent one year as Florence High School's coach.

On April 26, 2009, Braddy was honored by the University by having the Tigers baseball facility named in his honor. Jackson State's baseball field is named the Robert L. "Bob" Braddy, Sr. Field.

Braddy and his wife, Diane, have two children: Robert, Jr. and Artimese Anita.

**JSU FOOTBALL**

**SEASON  
OUTLOOK**

# 2009 SEASON REVIEW

**JSU** is coming off a 3-7 record; the only losing season in Comegy's four with the university. The Tigers were selected to win the SWAC Eastern Division title and square off against Grambling State for the conference crown in the 2009 preseason polls. The Tigers struggled most of the season, mainly because of offensive inefficiency, and when the season came to an end Jackson State sat in third place in the East.

## OFFENSE

The JSU offense struggled to produce on a consistent basis. The Tigers were hampered by injuries along the offensive line which contributed to the sluggish offensive output. Heading into 2010 the JSU coaching staff has several athletic signal callers to plug into the new system. Eight starters will return from last season's team.

Dedric McDonald (6-5, 215) will look to take over as the full time starter this season. He is the only QB on roster with significant Division I (FCS) experience. To go along with a season of collegiate football under his belt, he also spent the spring learning the new offense. In the annual spring game he showed flashes of excitement, as he completed nine passes for 141 yards and a touchdown. Red-shirt freshman Ryant Denton (6-2, 190) will also compete for the starting position. Denton learned from the sidelines last season and also benefited from spring practice

in the new offense. He did not complete any passes (0-3) but showed athleticism and elusiveness, picking up 18 yards and a rushing TD on three scrambles.

Three newcomers are also expected to push for playing time. Casey Therriault (6-3, 205), Tevin Chapman (6-1, 195) and Teshon Burton (6-3, 190) should all be in the mix for JSU. Therriault is the only newcomers with any collegiate experience. Last season

at Grand Rapids CC he led his team to an appearance in a JUCO National Championship game. Chapman, a freshman from Central High School (Hattiesburg, MS) is a one-start rated dual QB by Scout.com. As a senior he threw for 1,008 yards and five touchdowns and ran for 1,097 yds and 15 TDs. Burton, a freshman from Leuzinger HS (CA), is a two star dual threat prospect according to Rivals.com and Scout.com. During his senior season he passed for 2607 yards, 23 touchdowns and only six interceptions. He also rushed for a team high 442 yards and

another seven touchdowns.

To go along with the quarterbacks, JSU has a group of talented receivers. Juniors Marcellos Wilder (6-3, 195) and Keenan Tillman (6-5, 220) look to have the breakout season that JSU fans have

been waiting on. In the receiver friendly spread offense both players should be able to thrive. Wilder is one of the faster players on the team and Tillman is a huge target with good hands.

Also returning is senior wide receiver Anthony Mayes (5-9, 180), who tied for a team high 24 receptions for 285 yards and two TDs last season. Sophomore Rico Richardson (5-10, 185) caught 15 passes for 135 yards. Richardson was also a standout on special teams. He was second in the SWAC in punt return average (9.2 avg). Junior college transfer Desmond Ratliff (6-1, 215) will also look to play a prominent part in the passing attack. Last season at Pearl River CC he caught 85 passes for 1055 yards and 10 touchdowns.

The Tigers have a stable of solid running backs. Junior Luther Edwards (5-8, 225) looks to bounce back from a disappointing sophomore campaign. Edwards finished with 102 yards and two TDs on 51 attempts.

Senior Jewrad Smith (5-10, 185) will also look to get involved in the offense as a pass catcher out of the backfield. Last season he caught three passes for 26 yards and rushed for another 22 yards. Junior Demario Phippen (5-9, 215) will also look to be a pass catching threat. Last season he six passes for 49 yards. Newcomers B.J. Lee (5-7, 185) and Tommy Gooden (6-0, 215) are expected to be contributors this season.

The offensive line should be strength for the Tigers. JSU improved its depth along the line and because of the injury bug last season a lot of young players got playing time early in the season. The offensive line will have five starters return this season. Seniors Terrael Williams (6-8, 350), Michael Odister (6-3, 330) and Antonio Colston (6-2, 295) will lead the line. Also returning for JSU are senior Talon Boudreaux (6-4, 290), senior Jarel Walker (6-2, 285), junior Keyun Sweeny (6-4, 315), sophomore Roderick Gladney (6-4, 360), and sophomore Luis McLeod (6-3, 330).

While the offense is expected to be better than last season, Tiger fans should not get their hopes up for an offensive powerhouse through the first half of the season.

## DEFENSE

Last season the Dark Side defense kept the Tigers in every game. This season, with some help from the offense, the JSU defense could be even better. Seven starters will return from the 2009 team.

Seniors Ryan Rich, Sam Washington, Kerry Hoskins and Anthony Johnson will lead the defense in 2010. Rich (6-1, 218), who

recorded 40 tackles, 8.5 tackles for loss, and six interceptions last season, will lead the linebackers. He was also ranked fifth in the FCS in interceptions and was tied for 16th in the SWAC in pass breakups. Washington (6-3, 255) returns from a back injury in 2009 to anchor a talented defensive line. He was an All-SWAC performer during the 2008 season and looks to return to form this season. Safety Hoskins (5-11, 195) and corner back Johnson (6-0, 205) highlight a talented secondary. Hoskins had an outstanding season in 2009. He recorded 36 tackles, seven interceptions and four pass breakups. He was ranked second in the FCS in INTs, fifth in the SWAC in passes defended and was a College Sporting News All-American honorable mention. Johnson is perhaps the most complete corner back in the SWAC. Last season he had 19 tackles, three interceptions (ranked 50th in FCS) and five pass breakups. He was also ranked ninth in the

SWAC in passes defended.

JSU will have depth on the defensive line. Juniors Donovan Robinson (6-4, 250), Charles Mustafaa (6-3, 265) and Neal Pogue (6-2, 280) bring great experience to the table. Robinson was the fourth leading tackler last season, as he recorded 51 tackles, 13.5 tackles for loss (ranked 22nd in FCS, 5th in SWAC) and four sacks. He was also ranked 32nd in the SWAC in total tackles. Mustafaa came on strong in the second half of the season and finished with seven tackles, while Pogue had 27 tackles and four sacks.

Sophomores Johnathan Billups (6-1, 320) and Javarius Conner (6-3, 250) each finished with three tackles last season. Sophomore Jamal Carter (6-3, 215), who is one of the strongest members of the team, had one tackle, a tackle for loss and a sack.

Joining Rich at linebacker are senior Ernest Brocks (6-2, 230) and David Graddy (6-2, 219), sophomores Milton Patterson (6-0, 230) and Corderic Govan (6-3, 235). Brocks had one tackle last season and Graddy finished with five. Govan had 25 tackles.

Seniors Jalil Johnson (5-11, 190) and Jeremy Keys (6-3, 215) also bring experience to the secondary. Johnson recorded 19 tackles and four pass breakups, and Keys had nine tackles last season. Junior Andre Wright (6-0, 200) and sophomore Richard Hughes (6-0, 185) will add depth.

#### SPECIAL TEAMS

The Tigers will have to replace All-SWAC performers in kicker Eric Perri and punter Brett Bennett in the kicking game. Redshirt sophomore Jabril Smith (6-1, 180) and transfer David Gallagher (5-10, 180) will look to pick up where Perri and Bennett left off. Smith is a strong legged kicker. As a freshman he averaged 50.1 yards per kickoff and in the 2010 spring game he made field goals from 48 and 41 yards. Last season Gallagher played at Coahoma Community College.

Last season the Tigers had problems with the snappers, but solidified the position with sophomore Ladarius Kimp (6-1, 245). He took over the position late in the season and had a solid spring. Sophomore Alfred Moreland (5-7, 185) will handle kick return duties. Last season he returned 25 kicks for 466 yards (18.6 avg). He was ranked eighth in the SWAC in the category. Rico Richardson will see time as a punt returner. Last season he returned nine for 83 yards (9.2 avg). He was ranked second in the SWAC in punt return average.

>> THE SWAC

**History at a Glance**

In 1920, eight men representing six colleges from the state of Texas met to discuss collegiate athletics and the many challenges that face their respective institutions. By the time the session in Houston had concluded, they had founded an athletic league that has slowly become one of the leading sports associations in the world of collegiate athletics, the Southwestern Athletic Conference.

The founding fathers of the original "Super Six" were C.H. Fuller of Bishop College, Red Randolph and C.H. Patterson of Paul Quinn, E.G. Evans, H.J. Evans and H.J. Starns of Prairie View A&M, D.C. Fuller of Texas College and G. Whitte Jordan of Wiley College.

### Football At Jackson State

Football began at Jackson State during the early 1910s. The team consisted of volunteer students and the schedule was regional. The team played an in-state schedule including opponents like Campbell College and Tougaloo College. The university now fields a highly competitive and successful NCAA Football Championship Subdivision program. The team plays its home games in the 62,500-seat Mississippi Veterans Memorial Stadium. Since the inception of conference titles, Jackson State has won or shared 16 SWAC crowns. The Tigers last won the SWAC in 2007.

### The Bragg Story

Jubie Bragg served as head coach at Jackson College from 1913-1919. During those years Bragg's son, Eugene, was enrolled in the Jackson College Primary School. Eugene attended Jackson College from the first to the seventh grade. After leaving Jackson College, Jubie Bragg returned to Florida A&M where he coached from 1923-25 and 1930-31. Eugene Bragg went on to become FAMU's fourth head coach in 1934. He coached the Rattlers until 1935 when he was killed in an automobile accident. The current home for the Florida A&M Rattlers (Bragg Memorial Stadium) was built and dedicated to the Bragg family in 1957.

### "The Iron 13"

With the departure of Bragg the Tigers were left without a head coach to begin the 1920 season. For at least two weeks there were only five to six players present at practices. With reluctance the college's president Hubert T. Zachary (who began the athletic program) suggested the players forget about football for that year. The students continued to practice daily until they had 13 players on the squad. The team, known as the "Iron Thirteen" selected Earnest Richards, a French teacher who had never played football, to serve as coach. The players only needed a supervisor, since they drew up their own plays and directed their own practices. Led by team captains, Edgar Stewart and Percy Greene, the team started the season with a victory over Tougaloo College (13-0). Jackson College went on to get victories over Utica (63-0) and Mississippi Industrial College (21-14). The 1920 team went undefeated and won the Mississippi Louisiana Conference Championship (the college's second MLC championship).

### Alumni Field and Memorial Stadium

In 1923, President Hubert requested \$5,000 from the General Education Board for the construction of Jackson College's first football stadium. Alumni Field was dedicated in 1949. The team played home games there until 1967 when all home games were moved to Mississippi Veterans Memorial Stadium. Jackson State played its very first game at Memorial Stadium on Oct. 21 against Grambling State for the Homecoming game. Rod Paige's Tigers pulled off a 20-14 victory over Eddie Robinson's G-Men. In 1969 Alumni Field was demolished to make room for the construction of John Peoples Science Building.

### No Place Like Home

The JSU Tigers have played their home games in Mississippi Veterans Memorial Stadium for over 40 years and have compiled an impressive 144-63-1 record. While at Memorial JSU has led the nation in home game attendance 13 times.

### TIGERS IN THE COLLEGE FOOTBALL HALL OF FAME

Five JSU Tigers have been enshrined into the College Football Hall of Fame. Two coaches and three players have been inducted, starting with John Merritt in 1994 and ending with W. C. Gorden in 2008. Walter Payton was inducted in 1996, Willie Richardson in 2003 and Kevin Dent in 2006.

## SONIC BOOM OF THE SOUTH

NO MATTER WHERE THEY PERFORM, THE JSU MARCHING BAND LEAVES ITS MARK AS ONLY THE "SONIC BOOM OF THE SOUTH" CAN. FOR MORE THAN 65 YEARS THE FAMOUS JSU BAND HAS MYSTIFIED AND THRILLED AUDIENCES THROUGHOUT THE NATION WITH ITS THUNDEROUS SOUNDS AND SPECTACULAR FIELD SHOW MANEUVERS.

Currently under the direction of Renardo R. Murray, the nearly 300-member "Sonic Boom of the South" is sure to deliver a performance booming with excitement and entertainment every time.

As the name indicates, the JSU marching band represents more than just Jackson State and more than just the city of Jackson. It is one of the most highly sought after show bands in the nation and the world. As a tribute to the legacy and mystique of the Jackson State University Marching Band, the Sonic Boom is frequently invited to perform at athletic events and to participate in band extravaganzas nationwide.

Some of the most notable performances include halftime appearances for the Atlanta Falcons, Detroit Lions, New Orleans Saints, and the 1991 NBA All-Star Game, New York Jets, Houston Oilers, Philadelphia Eagles, Cincinnati Bengals, Senior Bowl (1997 and 2004), Indianapolis Colts and Dallas Mavericks.

In 1990 the JSU Marching Band was featured on Motown's 30th Anniversary television special. In 2003, the band was featured on the NAACP 34th Image Awards television special aired on FOX. Performances like these have influenced many to refer to the unit as Hollywood's band of choice.

In addition to many stellar performances, in 2003 the marching band was enshrined in the NCAA Hall of Champions. The band was also filmed by Electronic Art Sports (EA Sports) for inclusion in the 2005 version of the video game "EA Sports NCAA Football 2005".

Whether they are performing high-energy a halftime show or marching through the yard, the Sonic Boom of the South will wake you up and make you move with a performance that will "rock the house" anywhere and anytime.

Jackson State University has some of the finest athletic facilities in the Southwestern Athletic Conference. The Tigers play their home football games at the historic Mississippi Veterans Memorial Stadium. Home men's and women's basketball games are played on the JSU campus at the Lee E. Williams Athletics and Assembly Center, while home volleyball games are played at the T.B. Ellis Physical Education Center, Lady Tigers soccer games are played at the newly constructed soccer field on campus and baseball and softball games are played at the University Baseball/Softball Complex. The Tigers and Lady Tigers tennis teams also play on campus on recently constructed courts.

**Mississippi Veterans Memorial Stadium**

Mississippi Veterans Memorial Stadium was originally built in 1941 with a two-sided configuration. The stadium's west end was closed-in in 1980 to make Memorial the largest athletic facility in the State of Mississippi. Approximately five miles from Jackson State University's main campus, Memorial Stadium has served as the home of Tiger Football since 1967. J-State's first game played in Memorial was in October of 1967 when the Tigers hosted Grambling. JSU won that game 20-14.

Since 1967, Jackson State and Memorial Stadium have continued to be a winning combination. Jackson State set a NCAA Division I-AA home game attendance record in 1997, when an average of 38,873 fans attended JSU games. The record still stands today. The 1999 contest versus Southern marked the most attended JSU game at Mississippi Veterans Memorial Stadium. Over 65,000 fans saw a great game between the two rivals which ended in a 26-14 Southern win.

Lee E. Williams Athletics and Assembly Center  
The Lee E. Williams Athletics and Assembly Center was completed in August of 1981. The multi-purpose facility is located at the northwest corner of the campus and houses the Athletics Department, the JSU basketball arena, athletic training rooms and classroom for health related courses. The "AAC" arena is home to JSU men's and women's basketball and has a seating capacity of 8,000

**T. B. Ellis Physical Education Center**

The T. B. Ellis Physical Education Center is the home of Lady Tigers volleyball and houses the Department of Health, Physical Education and Recreation, is among the largest of Jackson State University's structures. An Olympic-size pool and a gymnasium are maintained. The gymnasium has two basketball courts and floor space for indoor tennis, table tennis, badminton and volleyball. In addition, there are dance studios and faculty offices.

**Martin Epps Track and Field Facility**

The Jackson State University Track and Field was renovated and named the "Martin Epps Track and Field Facility" in 2004 to become a world-class on-campus facility and home of JSU Men's and Women's Track and Field programs. Named for legendary JSU Men's Track and Field coach, Martin Epps, the facility is a part of the state-of-the-art Walter Payton Athletics Complex on JSU's campus.
