#JudoWorlds

(Version 15 March 2023)

@MariusVizer

Dear judoka, dear friends,

Welcome to Doha and a very special World Championships.

Qatar is a country moving forward at a pace in all areas of life and their commitment to sport is no exception. No stranger to us as an exemplary host nation on the World Judo Tour, having provided the perfect conditions for an outstanding 2021 World Judo Masters, Doha again lends their expertise, organisation and friendship to the judo family.

This second world championships of the Paris 2024 Olympic qualification period is entrusted to the Qatar Taekwondo, Judo & Karate Federation because we know we are in safe hands. Qatar is a country which holds dear its history and traditions and therefore respects judo's history and values. In Doha we will enjoy the perfect mix of spectacle, excellence and friendship. Athletes from all continents will be welcomed here once again.

As we head towards Paris 2024, pulling together as a sporting community, we showcase our sport in Doha within an environment that prioritises safety, fair play and inspiration.

It is our great honour to share this week of incredible judo with you and we thank you for supporting us during this short but extraordinary Olympic cycle, celebrating judo at the highest level. You are all key figures in our past, present and future and we appreciate all you have done and are continuing to do for the sport.

I wish all our delegations a wonderful tournament, as we invite the judo world to Doha.

Yours in judo.

**Marius L. VIZER**  
**President**  
**International Judo Federation**

## 14. GENERAL INFORMATION

### FUNDAMENTAL PRINCIPLES

All National Federations, officials, coaches and athletes participating in the event described in these outlines must respect and accept the authority of the IJF Officials, the IJF Statutes, the IJF Sports and Organisation Rules (SOR, [www.ijf.org/ijf/documents/24](http://www.ijf.org/ijf/documents/24)) and the IJF Anti-Doping Rules (<https://www.ijf.org/cleanjudo/133>).

Individuals deemed to have acted against the IJF, its principles or purposes should be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

### INSURANCE

Each National Federation is directly responsible for its athletes (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The LOC of the event and the IJF will not be responsible in the absence of insurance. The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration.

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they

have sufficient insurance in place to cover any COVID-19 related costs, including repatriation.

The LOC of the event and the IJF accept no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event nor any claims relating to the cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

#### **CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING**

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF.

It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent for use of data, photography, videos and filming then the National Federation must inform the International Judo Federation by writing to [registration@ijf.org](mailto:registration@ijf.org)

#### **ACCOMMODATION**

All delegations, who inscribe for an IJF WJT event, must reserve their accommodation in one of the official hotels published in the event outlines. The reservation must be made with the local organising committee (not directly with the hotel).

The minimum reservation for a delegation is two (2) nights multiplied by the total number of people inscribed in judobase. The referee nominated by the IJF is not included in this calculation.

Example:

4 people inscribed in judobase (no referee) = 4 x 2 nights = 8 nights or more must be reserved

17 people inscribed in judobase (including 1 referee) = (17-1) x 2 = 32 nights or more must be reserved

This rule does not apply to the host National Federation delegates.

Delegations are kindly requested not to dry clothing (including judogi) or have training sessions in the corridors of the official hotels.

#### **COMPETITION RULES**

System of competition: quarter-final (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories: Women: -48 kg, -52 kg, -57 kg, -63 kg, -70 kg, -78 kg, +78 kg  
Men: -60 kg, -66 kg, -73 kg, -81 kg, -90 kg, -100 kg, +100 kg

#### **INSCRIPTION OF DELEGATES**

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF World Ranking List (WRL) event. Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis". This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Non-competing athletes or training partners can be inscribed as judoka.

After the event deadline, changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another qualified athlete (1-100 IJF Seniors WRL and 1-16 IJF Juniors WRL) regardless of gender or weight category. An ill team official can be replaced by another team official etc.

## **ACCREDITATION**

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 USD per accreditation, to be

paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 USD to be paid to the IJF.

#### **DRAW AND SEEDING**

Up to a maximum of the top eight (8) athletes among the entered athletes in each weight category will be seeded based on their IJF WRL position. The draw will be held online: [www.ijf.org](http://www.ijf.org)

#### **OFFICIAL JUDO GI**

Athletes must compete wearing an IJF approved judogi (white and blue) from one of the following official suppliers can be found here: [www.ijf.org/supplier-list](http://www.ijf.org/supplier-list)

For further information on the judogi rules please refer to the IJF SOR ([www.ijf.org/ijf/documents/24](http://www.ijf.org/ijf/documents/24)).

The backnumber can only be ordered from [www.officialbacknumber.com](http://www.officialbacknumber.com) or [www.mybacknumber.com](http://www.mybacknumber.com)

#### **JUDO GI AND BACKNUMBER PRE-CONTROL**

The IJF will arrange a judogi and backnumber pre-control starting two days before the first competition day, until the day before the last competition day.

For this purpose, the competitors should wear their judogi with the belt tightened.

For the backnumber pre-control, athletes must bring both judogi (white and blue), for a control regarding any worn-out areas particularly on the collar and lapel, the colour, the IJF official label (obligatory), judogi brand (obligatory), national emblem, advertising, backnumber stitching, and any visible stains. Only if the judogi are compliant with the IJF rules will sponsor labels be given.

Athletes must show up for the backnumber pre-control. If they fail to do so, without a valid reason, the athlete will not be allowed to have a coach in the chair.

The backnumber and publicity should comply with the current IJF judogi regulations.

White judogi: IJF sponsor / Blue judogi: LOC sponsor

The official sponsor label of the event will be given provided that:

- The judogi are clean and dry.
- The backnumber, publicity and emblem are properly sewn and do not show any wear or tear.
- All previous advertising has been removed.

Guide to attaching and removing the sponsor label:

- Lay the judogi flat and attach the new sponsor label of the event on the back of the correct judogi.
- Ensure the label is firmly attached around the edges.
- Immediately after the competition and before washing remove the sponsor label.

The LOC has the right to charge for any sewing service that is deemed larger than a small repair.

The judogi control will be done before each contest.

### **WEIGH IN**

The weigh-in will be carried out in accordance with the IJF SOR. The official weigh-in for athletes will be scheduled the day before the competition (see programme for times).

### **WORLD RANKING POINTS**

An athlete is in the competition only once they pass the official weigh-in.

If an athlete passes the official weigh-in and is alone in the category he/she will get the participation ranking points.

Any athlete who does not come to the tatami for a contest will have a line put through his/her name on the draw sheet. His/her opponent must come to the tatami and bow. He/she will be declared the winner by fusen-gachi and WRL points will be given.

### **COACHING**

Coaches nominated by their National Federations should respect the IJF Code of Ethics and IJF SOR. Any coaches not adhering to these rules could be subject to disciplinary action.

### **AWARDING CEREMONY**

Each athlete who has won a medal must be present at the ceremony to receive their medal personally. Any athlete who is absent from the awards ceremony without a good reason may forfeit the medal and prize money.

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.

Athletes must also be available for interview after the last awarding ceremony if requested by the IJF Media Team.

After each day of competition photos will be uploaded on the IJF website: [www.ijf.org/galleries](http://www.ijf.org/galleries). These photos are rights-free and can be downloaded and used by anyone: athletes, coaches, national federations, press and media etc.

#### 6. MIXED TEAMS REGULATIONS

Each team can consist of up to six (6) athletes (3 women and 3 men) and has the possibility to have up to six (6) reserves (3 women and 3 men).

To enter the mixed team competition the National Federation must have a full team. This means that on the delegation control list during accreditation there must be athletes able to compete in all six (6) categories. A total of 12 athletes can be inscribed with a maximum of two (2) athletes per category.

If there are injuries or illness after the draw or during the competition a team can compete with a minimum of four (4) athletes.

During the contests, the non-competing athletes must stay within a marked area on the field of play behind the coaches' chair. Reserve athletes must not enter the field of play.

Two (2) coaches and one (1) doctor per team will be allowed to enter the Field of Play. Athletes should enter the Field of Play in the order that they will compete in.

A draw will be made for the starting category for the first round. The following rounds will start with the next category in the sequence.

**Example:** Seniors Mixed Teams - drawn category is -73 kg

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one. If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category, they should select the “no competitor” option.

If the wrong athlete goes to the tatami for a contest that is not his own he will be disqualified, and the opponent he was initially supposed to meet will win by fusen gachi.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If blue team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

It is compulsory that all athletes listed for the match compete until the team reaches the winning result. If an athlete refuses to compete the team will be disqualified.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards.

	<b>Draw for golden score contest scenario</b>	<b>Action</b>
1	Both teams have “no competitor” in the same category	Category is removed from the draw
2	One team has “no competitor” or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

If there is a double hansoku-make during the golden score contest the following rules will be respected:

	<b>Scenario</b>	<b>Action</b>
1	Both athletes given an indirect hansoku-make (3 shido) in the golden score contest	Category is included in a new draw for another golden score contest
2	Both athletes given a direct hansoku-make (can continue in competition) in the in the golden score contest	Category is included in a new draw for another golden score contest
3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest
