No

5. In some circumstances, agencies may respond to a requester that it can neither confirm nor deny the existence of requested records if acknowledging the existence of records would harm an interested protected by a FOIA exemption. This is commonly referred to as a *Glomar* response. With respect to these responses, please answer the below questions:

a. In addition to tracking the asserted exemption, does your agency specifically track whether a request involved a *Glomar* response?

b. If yes, please provide:

i. the number of times your agency issued a full or partial *Glomar* response (separate full and partial if possible);

Zero (0) times

ii. the number of times a *Glomar* response was issued by exemption (e.g., Exemption 7(C) – 20 times, Exemption 1 – 5 times).

The Guidelines reinforce longstanding guidance to "work with FOIA requesters in a spirit of cooperation." The Attorney General also "urge[s] agency Chief FOIA Officers to undertake comprehensive review of all aspects of their agency's FOIA administration" as part of ensuring fair and effective FOIA administration.

A. FOIA Training

1. The FOIA directs agency Chief FOIA Officers to ensure that FOIA training is offered to agency personnel. See 5 U.S.C. § 552(a)(j)(2)(F). Please describe the efforts your agency has undertaken to ensure proper FOIA training is made available and used by agency personnel.

5. OIP has [directed agencies](#) to "take steps to ensure that all of their FOIA professionals attend substantive FOIA training at least once throughout the year." If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency's plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year.

Did your FOIA professionals engage in any outreach or dialogue, outside of the standard request process, with the requester community or open government groups regarding your administration of the FOIA? Please describe any such outreach or dialogue, and, if applicable, any specific examples of how this dialogue has led to improvements in your agency's FOIA administration.

Yes, staff are members of a working group on the FOIA Advisory Committee. This has led to enhanced understanding of FOIA and associated technologies.

8. As part of the standard request process, do your FOIA professionals proactively contact requesters concerning complex or voluminous requests in an effort to clarify or narrow the scope of the request so requesters can receive responses more quickly? Please describe any such outreach or dialogue, and, if applicable, any specific examples.

1. Please describe what steps your agency takes to identify, track, and post (a)(2) proactive disclosures.

We track the number of times certain records are requested and post once they have been requested at least three times.

2. Provide examples of any material that your agency has proactively disclosed during the past reporting year, including records that have been requested and released three or more times in accordance with 5 U.S.C. § 552(a)(2)(D). Please include links to these materials as well.

Yes, we work with the Web team to post materials.

6. Optional -- Please describe the best practices used to improve proactive disclosures and any challenges your agency faces in this area.

We are limited in the number of public web pages we can have (one) so organization and arrangement of the web page will be undertaken in FY23.

SECTION IV: STEPS TAKE TO GREATER UTILIZE TECHNOLOGY

A key component of FOIA administration is using technology to make information available to the public and to gain efficiency in FOIA processing. 1. Has your agency reviewed its FOIA-related technological capabilities to identify resources needed to respond to current and anticipated FOIA demands?

Yes

We fully implemented a massive upgrade to FOIAXpress and are using for more if its capabilities than previously done. We have transitioned to electronic records in doing so.

3. Does your agency currently use any technology to automate record processing? For example, does your agency use machine learning, predictive coding, technology assisted review or similar tools to conduct searches or make redactions? If so, please describe and, if possible, estimate how much time and financial resources are saved since implementing the technology.

We use built in AI capabilities for FOIAXpress to redact content. This has saved an hour of time for each request.

4. OIP issued [guidance](#) in 2017 encouraging agencies to regularly review their FOIA websites to ensure that they contain essential resources and are informative and user-friendly. Has your agency reviewed its FOIA website(s) during the reporting period to ensure it addresses the elements noted in the guidance?

- Impact of COVID-19 and workplace and safety precautions
- Any other reasons – please briefly describe or provide examples when possible

We had a loss of staff and an increase in the number of incoming requests and in complex requests.

13. If you had a request backlog, please report the percentage of requests that make up the backlog out of the total number of requests received by your agency in Fiscal Year 2022. Please use the following calculation based on data from your Annual FOIA Report: (backlogged requests from Section XII.A) divided by (requests received from Section V.A) x 100. We discovered a flaw in our internal processing that meant the FOIA Office was not receiving the results of appeals received by Amtrak. This has been corrected.

17. If you had an appeal backlog please report the percentage of appeals that make up the backlog out of the total number of appeals received by your agency in Fiscal Year 2022. Please use the following calculation based on data from your Annual FOIA Report: (backlogged appeals from Section XII.A) divided by (appeals received from Section VI.A) x 100. F. Additional Information about FOIA Processing

29. Were any requests at your agency the subject of FOIA litigation during the reporting period? If so, please describe the impact on your agency’s overall FOIA request processing and backlog. If possible, please indicate the number and nature of requests subject to litigation, common causes leading to litigation, and any other information to illustrate the impact of litigation on your overall FOIA administration.

Yes, we had one request in litigation. It was in litigation as the requester skipped the appeals process and went to litigation in not receiving the requested information in 20 business days. This made us improve our processes for speedier response times.

30. How many requests during Fiscal Year 2022 involved unusual circumstances as defined by the FOIA? (This information is available in your agency’s FY22 raw data).

We do not track this information.
