SUMMARY OF DECISIONS REQUESTED FOR THE PROPOSED SECOND GENERATION DUNEDIN CITY DISTRICT PLAN – ADDENDUM

Dunedin City Council notified a Summary of Decisions Requested for the Proposed Second Generation Dunedin City District Plan (2GP) in the Otago Daily Times on Saturday, 6 February 2016, and addenda on Saturday 13, Wednesday 17, and Saturday 27 February 2016. Unfortunately a submission from Horticulture New Zealand, which had been received within the statutory time period, was not included in that summary. In addition submission points OS403.7 and OS403.8 were incorrectly summarised. We are now notifying the additional submission and amended submission summaries as required by the Resource Management Act 1991 (RMA).

These addenda will be added to the hardcopy versions of the report before Monday, 7 March 2016. The version available using the search function on the 2GP website has already been updated.

The further submission period for Horticulture New Zealand submission OS1090 and submission points OS403.7 and OS403.8 only has commenced and closes at 5pm Friday, 18 March 2016. All other further submissions, other than those covered by the public notice on 26 February, closed on 3 March 2016.
