SUMMARY OF DECISIONS REQUESTED FOR THE PROPOSED SECOND GENERATION DUNEDIN CITY DISTRICT PLAN – ADDENDUM

The Dunedin City Council notified a Summary of Decisions Requested for the Proposed Second Generation Dunedin City District Plan (2GP) in the Otago Daily Times on Saturday, 6 February, and addenda on Saturday, 13 February and Wednesday, 17 February 2016.

Unfortunately, a submission point (OS199.22) relating to a proposed new Major Facility zoning of the site at 89 Church Street, Mosgiel, that had been received within the statutory time period, was not included in that summary. We are now notifying the additional submission point as required by the Resource Management Act 1991.

The hard copy versions of the report will be replaced by Monday, 29 February 2016. The version available using the search function on the 2GP website has already been updated.

The further submission period for submission point OS199.22 closes at 5pm Friday, 11 March 2016.
