[19] The Biden Administration recently announced a student debt relief plan that does the following:

- Eliminates $10,000 in federal student loan debt for every borrower whose individual income is no more than $125,000
- Eliminates $20,000 in student loan debt for recipients of the Pell Grant (students who came from low-income families)
- Cuts the amount that borrowers have to pay monthly for undergraduate loans in half (from 10% of income to 5% of income)
- Covers the borrower's unpaid monthly interest, so no borrower's loan balance will grow as long as they make their monthly payments
- Ensures that no one earning at or below $15 an hour has to make monthly payments
- Eliminates loan balances in 10 years of payments instead of 20 years if the remaining loan balance is $12,000 or less
- Extends the current pause on student loan repayments to December 31st, 2022
