Child
Pornography
Prevention Act of
1996.
18 USC 2251
note.
18 USC 2251
note.

Subsection 1. Findings.

Congress finds that—

(1) the use of children in the production of sexually explicit material, including photographs, films, videos, computer images, and other visual depictions, is a form of sexual abuse which can result in physical or psychological harm, or both, to the children involved;

(2) where children are used in its production, child pornography permanently records the victim’s abuse, and its continued existence causes the child victims of sexual abuse continuing harm by haunting those children in future years;

(3) child pornography is often used as part of a method of seducing other children into sexual activity; a child who is reluctant to engage in sexual activity with an adult, or to pose for sexually explicit photographs, can sometimes be convinced by viewing depictions of other children “having fun” participating in such activity;

(4) child pornography is often used by pedophiles and child sexual abusers to stimulate and whet their own sexual appetites, and as a model for sexual acting out with children; such use of child pornography can desensitize the viewer to the pathology of sexual abuse or exploitation of children, so that it can become acceptable to and even preferred by the viewer;

(5) new photographic and computer imaging technologies make it possible to produce by electronic, mechanical, or other means, visual depictions of what appear to be children engaging in sexually explicit conduct that are virtually indistinguishable to the unsuspecting viewer from unretouched photographic images of actual children engaging in sexually explicit conduct;

(6) computers and computer imaging technology can be used to—

(A) alter sexually explicit photographs, films, and videos in such a way as to make it virtually impossible for unsuspecting viewers to identify individuals, or to determine if the offending material was produced using children;

(B) produce visual depictions of child sexual activity designed to satisfy the preferences of individual child molesters, pedophiles, and pornography collectors; and

(C) alter innocent pictures of children to create visual depictions of those children engaging in sexual conduct;

(7) the creation or distribution of child pornography which includes an image of a recognizable minor invades the child’s privacy and reputational interests, since images that are created showing a child’s face or other identifiable feature on a body engaging in sexually explicit conduct can haunt the minor for years to come;

(8) the effect of visual depictions of child sexual activity on a child molester or pedophile using that material to stimulate or whet his own sexual appetites, or on a child where the material is being used as a means of seducing or breaking down the child’s inhibitions to sexual abuse or exploitation,

is the same whether the child pornography consists of photographic depictions of actual children or visual depictions produced wholly or in part by electronic, mechanical, or other means, including by computer, which are virtually indistinguishable to the unsuspecting viewer from photographic images of actual children;

(9) the danger to children who are seduced and molested with the aid of child sex pictures is just as great when the child pornographer or child molester uses visual depictions of child sexual activity produced wholly or in part by electronic, mechanical, or other means, including by computer, as when the material consists of unretouched photographic images of actual children engaging in sexually explicit conduct;

(10)(A) the existence of and traffic in child pornographic images creates the potential for many types of harm in the community and presents a clear and present danger to all children; and

(B) it inflames the desires of child molesters, pedophiles, and child pornographers who prey on children, thereby increasing the creation and distribution of child pornography and the sexual abuse and exploitation of actual children who are victimized as a result of the existence and use of these materials;

(11)(A) the sexualization and eroticization of minors through any form of child pornographic images has a deleterious effect on all children by encouraging a societal perception of children as sexual objects and leading to further sexual abuse and exploitation of them; and

(B) this sexualization of minors creates an unwholesome environment which affects the psychological, mental and emotional development of children and undermines the efforts of parents and families to encourage the sound mental, moral and emotional development of children;

(12) prohibiting the possession and viewing of child pornography will encourage the possessors of such material to rid themselves of or destroy the material, thereby helping to protect the victims of child pornography and to eliminate the market for the sexual exploitative use of children; and

(13) the elimination of child pornography and the protection of children from sexual exploitation provide a compelling governmental interest for prohibiting the production, distribution, possession, sale, or viewing of visual depictions of children engaging in sexually explicit conduct, including both photographic images of actual children engaging in such conduct and depictions produced by computer or other means which are virtually indistinguishable to the unsuspecting viewer from photographic images of actual children engaging in such conduct.

Subsection 2. Definitions.

Section 2256 of title 18, United States Code, is amended—

(1) in paragraph (5), by inserting before the semicolon the following: “, and data stored on computer disk or by electronic means which is capable of conversion into a visual image”;

(2) in paragraph (6), by striking “and”;

“(8) ‘child pornography’ means any visual depiction, including any photograph, film, video, picture, or computer or computer-generated image or picture, whether made or produced by electronic, mechanical, or other means, of sexually explicit conduct, where—

“(A) the production of such visual depiction involves the use of a minor engaging in sexually explicit conduct;

“(B) such visual depiction is, or appears to be, of a minor engaging in sexually explicit conduct;

“(i)(I) who was a minor at the time the visual depiction was created, adapted, or modified; or

“(II) whose image as a minor was used in creating, adapting, or modifying the visual depiction; and

“(ii) who is recognizable as an actual person by the person’s face, likeness, or other distinguishing characteristic, such as a unique birthmark or other recognizable feature; and

“(B) shall not be construed to require proof of the actual identity of the identifiable minor.”.

ECONOMIC SUPPORT FUND ASSISTANCE FOR ISRAEL

SEC. 517. The Congress finds that progress on the peace process in the Middle East is vitally important to United States security interests in the region. The Congress recognizes that, in fulfilling its obligations under the Treaty of Peace Between the Arab Republic of Egypt and the State of Israel, done at Washington on March 26, 1979, Israel incurred severe economic burdens. Furthermore, the Congress recognizes that an economically and militarily secure Israel serves the security interests of the United States, for a secure Israel is an Israel which has the incentive and confidence to continue pursuing the peace process. Therefore, the Congress declares that, subject to the availability of appropriations, it is the policy and the intention of the United States that the funds provided in annual appropriations for the Economic Support Fund which are allocated to Israel shall not be less than the annual

(B) with full recognition of the constitutional right of either House to change the rules (so far as those rules relate to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of such House.

(2) For purposes of this section, the term “resolution” means a joint resolution, the text of which is as follows: “That the House of Representatives and Senate approve the Presidential finding, submitted to the Congress on XXXXX, that the limitation on obligations imposed by section 518A(a) of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1997, is having a negative impact on the proper functioning of the population planning program.”. (5)(A) If any committee to which a resolution with respect to a Presidential finding under this section has been referred has not reported it at the end of 5 calendar days after its introduction, such committee shall be automatically discharged from further consideration of the resolution and it shall be

placed on the appropriate calendar. A vote on final passage of the resolution, shall be taken in each House on or before February 28, 1997. If prior to the passage by 1 House of a resolution of that House under this section, that House receives the same resolution from the other House, then—

(i) the procedure in that House shall be the same as if no resolution had been received from the other House, but

(C) Appeals from the decision of the Chair relating to the application of the rules of the House of Representatives to the procedures relating to a resolution under this section shall be decided without debate.

(D) Except to the extent specifically provided in preceding provisions of this subsection, consideration in the House of Representatives of a resolution under this subsection shall be governed by the rules of the House of Representatives applicable to other resolutions in similar circumstances.

TITLE VI—NATO ENLARGEMENT FACILITATION ACT OF
1996

SEC. 601. SHORT TITLE.

This title may be cited as the “NATO Enlargement Facilitation Act of 1996”.

SEC. 602. FINDINGS.

The Congress makes the following findings:

(1) Since 1949, the North Atlantic Treaty Organization (NATO) has played an essential role in guaranteeing the security, freedom, and prosperity of the United States and its partners in the Alliance.

(2) The NATO Alliance is, and has been since its inception, purely defensive in character, and it poses no threat to any nation. The enlargement of the NATO Alliance to include as full and equal members emerging democracies in Central and Eastern Europe will serve to reinforce stability and security in Europe by fostering their integration into the structures which have created and sustained peace in Europe since 1945. Their admission into NATO will not threaten any nation. America’s security, freedom, and prosperity remain linked to the security of the countries of Europe.

(3) The sustained commitment of the member countries of NATO to a mutual defense has made possible the democratic transformation of Central and Eastern Europe. Members of the Alliance can and should play a critical role in addressing the security challenges of the post-Cold War era and in creating the stable environment needed for those emerging democracies in Central and Eastern Europe to successfully complete political and economic transformation.

(4) The United States continues to regard the political independence and territorial integrity of all emerging democracies in Central and Eastern Europe as vital to European peace and security.

(5) The active involvement by the countries of Central and Eastern Europe has made the Partnership for Peace program an important forum to foster cooperation between NATO and those countries seeking NATO membership.

(6) NATO has enlarged its membership on 3 different occasions since 1949.

(7) Congress supports the admission of qualified new members to NATO and the European Union at an early date and has sought to facilitate the admission of qualified new members into NATO.

(8) Lasting security and stability in Europe requires not only the military integration of emerging democracies in Central and Eastern Europe into existing European structures, but also the eventual economic and political integration of these countries into existing European structures.

(9) As new members of NATO assume the responsibilities of Alliance membership, the costs of maintaining stability in Europe should be shared more widely. Facilitation of the enlargement process will require current members of NATO, and the United States in particular, to demonstrate the political will needed to build on successful ongoing programs such as the Warsaw Initiative and the Partnership for Peace by making

available the resources necessary to supplement efforts prospective new members are themselves undertaking.

(10) New members will be full members of the Alliance, enjoying all rights and assuming all the obligations under the North Atlantic Treaty, signed at Washington on April 4, 1949 (hereafter in this Act referred to as the “Washington Treaty”).

(11) In order to assist emerging democracies in Central and Eastern Europe that have expressed interest in joining NATO to be prepared to assume the responsibilities of NATO membership, the United States should encourage and support efforts by such countries to develop force structures and force modernization priorities that will enable such countries to contribute to the full range of NATO missions, including, most importantly, territorial defense of the Alliance.

(12) Cooperative regional peacekeeping initiatives involving emerging democracies in Central and Eastern Europe that have expressed interest in joining NATO, such as the Baltic Peacekeeping Battalion, the Polish-Lithuanian Joint Peacekeeping Force, and the Polish-Ukrainian Peacekeeping Force, can make an important contribution to European peace and security and international peacekeeping efforts, can assist those countries preparing to assume the responsibilities of possible NATO membership, and accordingly should receive appropriate support from the United States.

(13) NATO remains the only multilateral security organization capable of conducting effective military operations and preserving security and stability of the Euro-Atlantic region.

(14) NATO is an important diplomatic forum and has played a positive role in defusing tensions between members of the Alliance and, as a result, no military action has occurred between two Alliance member states since the inception of NATO in 1949.

(15) The admission to NATO of emerging democracies in Central and Eastern Europe which are found to be in a position to further the principles of the Washington Treaty would contribute to international peace and enhance the security of the region. Countries which have become democracies and established market economies, which practice good neighborly relations, and which have established effective democratic civilian control over their defense establishments and attained a degree of interoperability with NATO, should be evaluated for their potential to further the principles of the Washington Treaty.

(16) Democratic civilian control of defense forces is an essential element in the process of preparation for those states interested in possible NATO membership.

(17) Protection and promotion of fundamental freedoms and human rights is an integral aspect of genuine security, and in evaluating requests for membership in NATO, the human rights records of the emerging democracies in Central and Eastern Europe should be evaluated according to their commitments to fulfill in good faith the human rights obligations of the Charter of the United Nations, the principles of the Universal Declaration on Human Rights, and the Helsinki Final Act.

(18) A number of Central and Eastern European countries have expressed interest in NATO membership, and have taken

concrete steps to demonstrate this commitment, including their participation in Partnership for Peace activities.

(19) The Caucasus region remains important geographically and politically to the future security of Central Europe. As NATO proceeds with the process of enlargement, the United States and NATO should continue to examine means to strengthen the sovereignty and enhance the security of United Nations recognized countries in that region.

(20) In recognition that not all countries which have requested membership in NATO will necessarily qualify at the same pace, the accession date for each new member will vary.

(21) The provision of additional NATO transition assistance should include those emerging democracies most ready for closer ties with NATO and should be designed to assist other countries meeting specified criteria of eligibility to move forward toward eventual NATO membership.

(22) The Congress of the United States finds in particular that Poland, Hungary, and the Czech Republic have made significant progress toward achieving the criteria set forth in section 203(d)(3) of the NATO Participation Act of 1994 and should be eligible for the additional assistance described in this Act.

(23) The evaluation of future membership in NATO for emerging democracies in Central and Eastern Europe should be based on the progress of those nations in meeting criteria for NATO membership, which require enhancement of NATO's security and the approval of all NATO members.

(24) The process of NATO enlargement entails the consensus agreement of the governments of all 16 NATO members and ratification in accordance with their constitutional procedures.

(25) Some NATO members, such as Spain and Norway, do not allow the deployment of nuclear weapons on their territory although they are accorded the full collective security guarantees provided by Article 5 of the Washington Treaty. There is no a priori requirement for the stationing of nuclear weapons on the territory of new NATO members, particularly in the current security climate. However, NATO retains the right to alter its security posture at any time as circumstances warrant.

SEC. 603. UNITED STATES POLICY.

It is the policy of the United States—

(1) to join with the NATO allies of the United States to adapt the role of the NATO Alliance in the post-Cold War world;

(2) to actively assist the emerging democracies in Central and Eastern Europe in their transition so that such countries may eventually qualify for NATO membership;

(3) to support the enlargement of NATO in recognition that enlargement will benefit the interests of the United States and the Alliance and to consider these benefits in any analysis of the costs of NATO enlargement;

(4) to ensure that all countries in Central and Eastern Europe are fully aware of and capable of assuming the costs

and responsibilities of NATO membership, including the obligation set forth in Article 10 of the Washington Treaty that new members be able to contribute to the security of the North Atlantic area; and

(5) to work to define a constructive and cooperative political and security relationship between an enlarged NATO and the Russian Federation.

SEC. 604. SENSE OF THE CONGRESS REGARDING FURTHER ENLARGEMENT OF NATO.

It is the sense of the Congress that in order to promote economic stability and security in Slovakia, Estonia, Latvia, Lithuania, Romania, Bulgaria, Albania, Moldova, and Ukraine—

(1) the United States should continue and expand its support for the full and active participation of these countries in activities appropriate for qualifying for NATO membership;

(2) the United States Government should use all diplomatic means available to press the European Union to admit as soon as possible any country which qualifies for membership;

(3) the United States Government and the North Atlantic Treaty Organization should continue and expand their support for military exercises and peacekeeping initiatives between and among these nations, nations of the North Atlantic Treaty Organization, and Russia; and

(4) the process of enlarging NATO to include emerging democracies in Central and Eastern Europe should not be limited to consideration of admitting Poland, Hungary, the Czech Republic, and Slovenia as full members of the NATO Alliance.

SEC. 605. SENSE OF THE CONGRESS REGARDING ESTONIA, LATVIA AND LITHUANIA.

In view of the forcible incorporation of Estonia, Latvia, Lithuania into the Soviet Union in 1940 under the Molotov-Ribbentrop Pact and the refusal of the United States and other countries to recognize that incorporation for over 50 years, it is the sense of the Congress that—

(1) Estonia, Latvia, and Lithuania have valid historical security concerns that must be taken into account by the United States; and

(2) Estonia, Latvia, and Lithuania should not be disadvantaged in seeking to join NATO by virtue of their forcible incorporation into the Soviet Union.

SEC. 606. DESIGNATION OF COUNTRIES ELIGIBLE FOR NATO ENLARGEMENT ASSISTANCE.

Such actions may include, in the Board of Director’s discretion, a merger of a wholly owned subsidiary of the Holding Company with and into the Association, which would have the effect provided in the plan of reorganization and the law of the jurisdiction in which such subsidiary is incorporated. As part of the restructuring, the Board of Directors may cause—

“(2) Holding Company common shares to be registered with the Securities and Exchange Commission.

“(b) SHAREHOLDER APPROVAL.—The plan of reorganization adopted by the Board of Directors pursuant to subsection (a) shall be submitted to common shareholders of the Association for their approval. The reorganization shall occur on the reorganization effective date, provided that the plan of reorganization has been

approved by the affirmative votes, cast in person or by proxy, of the holders of a majority of the issued and outstanding shares of the Association common stock.

“(c) TRANSITION.—In the event the shareholders of the Association approve the plan of reorganization under subsection (b), the following provisions shall apply beginning on the reorganization effective date:

The Holding Company and any subsidiary of the Holding Company (other than the Association) shall not be entitled to any of the rights, privileges, and obligations, and shall not be subject to the limitations and restrictions, applicable to the Association under section 439, except as specifically provided in this section. The Holding Company and any subsidiary of the Holding Company (other than the Association or a subsidiary of the Association) shall not purchase loans insured under this Act until such time as the Association ceases acquiring such loans, except that the Holding Company may purchase such loans if the Association is merely continuing to acquire loans as a lender of last resort pursuant to section 439(q) or under an agreement with the Secretary described in paragraph (6).

“(2) TRANSFER OF CERTAIN PROPERTY.—

If, at any time after the reorganization effective date, the Association fails to comply with such capital standards, the Holding Company shall transfer with due diligence to the Association additional capital in such amounts as are necessary to ensure that the Association again complies with the capital standards.

“(5) CERTIFICATION PRIOR TO DIVIDEND.—Prior to the payment of any dividend under paragraph (4), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (4) and shall provide copies of all calculations needed to make such certification.

Any agreement entered into under such clause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. The fee provided under section 439(h)(7) shall not apply to loans acquired under any such agreement with the Secretary.

“(7) ISSUANCE OF DEBT OBLIGATIONS DURING THE TRANSITION PERIOD; ATTRIBUTES OF DEBT OBLIGATIONS.—After the reorganization effective date, the Association shall not issue debt obligations which mature later than September 30, 2008, except in connection with serving as a lender-of-last-resort

pursuant to section 439(q) or with purchasing loans under an agreement with the Secretary as described in paragraph (6). Nothing in this section shall modify the attributes accorded the debt obligations of the Association by section 439, regardless of whether such debt obligations are incurred prior to, or at any time following, the reorganization effective date or are transferred to a trust in accordance with subsection (d).

“(8) MONITORING OF SAFETY AND SOUNDNESS.—

“(A) OBLIGATION TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—The Association shall obtain such information and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

“(B) SUMMARY REPORTS.—The Secretary of the Treasury may require summary reports of the information described in subparagraph (A) to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and subparagraph (A), require the Association to make reports concerning the activities of any associated person whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

“(D) ENCUMBRANCE OF ASSETS.—Notwithstanding any Federal or State law, rule, or regulation, or legal or equitable principle, doctrine, or theory to the contrary, under no circumstances shall the assets of the Association be available or used to pay claims or debts of or incurred by the Holding Company. Nothing in this subparagraph shall be construed to limit the right of the Association to pay dividends not otherwise prohibited under this subparagraph or to limit any liability of the Holding Company explicitly provided for in this section.

“(E) HOLDING COMPANY ACTIVITIES.—After the reorganization effective date and prior to the dissolution date, all business activities of the Holding Company shall be conducted through subsidiaries of the Holding Company.

“(10) RESTRICTIONS ON TRANSFER OF ASSOCIATION SHARES AND BANKRUPTCY OF ASSOCIATION.—After the reorganization effective date, the Holding Company shall not sell, pledge, or otherwise transfer the outstanding shares of the Association, or agree to or cause the liquidation of the Association or cause the Association to file a petition for bankruptcy under title 11, United States Code, without prior approval of the Secretary of the Treasury and the Secretary of Education.

“(d) TERMINATION OF THE ASSOCIATION.—In the event the shareholders of the Association approve a plan of reorganization under subsection (b), the Association shall dissolve, and the Association's separate existence shall terminate on September 30, 2008, after discharge of all outstanding debt obligations and liquidation pursuant to this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association's intention to dissolve, unless within 60 days after receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to section 439(q) or continues to be needed to purchase loans under an agreement with the Secretary described

(B) any proposed obligation or expenditure of United States funds to or on behalf of the foreign government is adequately backed by an assured source of repayment

to ensure that all United States funds will be repaid; and

(2) other than as provided by an Act of Congress, if that loan or extension of credit would result in expenditures and obligations, including contingent obligations, aggregating more than \$1,000,000,000 with respect to that foreign country for more than 180 days during the 12-month period beginning on the date on which the first such action is taken.

(b) WAIVER OF LIMITATIONS.—The President may exceed the dollar and time limitations in subsection (a)(2) if he certifies in writing to the Congress that a financial crisis in that foreign country poses a threat to vital United States economic interests or to the stability of the international financial system.

Such leaders, or either of them, may, from time under their control on the passage of a resolution, allot additional time to any Senator during the consideration of any debatable motion or appeal.

(D) A motion in the Senate to further limit debate on a resolution, debatable motion, or appeal is not debatable. No amendment to, or motion to recommit, a resolution is in order in the Senate.

(4) In the case of a resolution, if prior to the passage by one House of a resolution of that House, that House receives a resolution with respect to the same matter from the other House, then—

(A) the procedure in that House shall be the same as if no resolution had been received from the other House; but

(B) the vote on final passage shall be on the resolution of the other House.

(5) For purposes of this subsection, the term “joint resolution” means only a joint resolution of the 2 Houses of Congress, the matter after the resolving clause of which is as follows: “That the Congress disapproves the action of the President under section 628(c) of the Treasury, Postal Service, and General Government Appropriations Act, 1997, notice of which was submitted to the Congress on _____.”, with the blank space being filled with the appropriate date.

Federal Financial
Management
Improvement Act
of 1996.
31 USC 3512
note.

TITLE VIII—FEDERAL FINANCIAL MANAGEMENT
IMPROVEMENT

SEC. 801. SHORT TITLE

This title may be cited as the “Federal Financial Management Improvement Act of 1996.”

31 USC 3512
note.

SEC. 802. FINDINGS AND PURPOSES.

(a) **FINDINGS.**—The Congress finds the following:

(1) Much effort has been devoted to strengthening Federal internal accounting controls in the past. Although progress has been made in recent years, Federal accounting standards have not been uniformly implemented in financial management systems for agencies.

(2) Federal financial management continues to be seriously deficient, and Federal financial management and fiscal practices have failed to—

(A) identify costs fully;

(B) reflect the total liabilities of congressional actions;

and

(C) accurately report the financial condition of the Federal Government.

(3) Current Federal accounting practices do not accurately report financial results of the Federal Government or the full costs of programs and activities. The continued use of these practices undermines the Government’s ability to provide credible and reliable financial data and encourages already widespread Government waste, and will not assist in achieving a balanced budget.

(4) Waste and inefficiency in the Federal Government undermine the confidence of the American people in the government and reduce the federal Government’s ability to address vital public needs adequately.

(5) To rebuild the accountability and credibility of the Federal Government, and restore public confidence in the Federal

Government, agencies must incorporate accounting standards and reporting objectives established for the Federal Government into their financial management systems so that all the assets and liabilities, revenues, and expenditures or expenses, and the full costs of programs and activities of the Federal Government can be consistently and accurately recorded, monitored, and uniformly reported throughout the Federal Government.

(6) Since its establishment in October 1990, the Federal Accounting Standards Advisory Board (hereinafter referred to as the “FASAB”) has made substantial progress toward developing and recommending a comprehensive set of accounting concepts and standards for the Federal Government. When the accounting concepts and standards developed by FASAB are incorporated into Federal financial management systems, agencies will be able to provide cost and financial information that will assist the Congress and financial managers to evaluate the cost and performance of Federal programs and activities, and will therefore provide important information that has been lacking, but is needed for improved decision making by financial managers and the Congress.

(7) The development of financial management systems with the capacity to support these standards and concepts will, over the long term, improve Federal financial management.

(b) PURPOSE—The purposes of this Act are to—

(1) provide for consistency of accounting by an agency from one fiscal year to the next, and uniform accounting standards throughout the Federal Government;

(2) require Federal financial management systems to support full disclosure of Federal financial data, including the full costs of Federal programs and activities, to the citizens, the Congress, the President, and agency management, so that programs and activities can be considered based on their full costs and merits;

(3) increase the accountability and credibility of federal financial management;

(4) improve performance, productivity and efficiency of Federal Government financial management;

(5) establish financial management systems to support controlling the cost of Federal Government;

(6) build upon and complement the Chief Financial Officers Act of 1990 (Public Law 101–576; 104 Stat 2838), the Government Performance and Results Act of 1993 (Public Law 103–62 107 Stat. 285) and the Government Management Reform Act of 1994 (Public Law 103–356; 108 Stat. 3410); and

(7) increase the capability of agencies to monitor execution of the budget by more readily permitting reports that compare spending of resources to results of activities.

note.

(4) **TIME PERIOD FOR COMPLIANCE.**—A remediation plan shall bring the agency’s financial management systems into substantial compliance no later than 3 years after the date a determination is made under paragraph (1), unless the agency, with concurrence of the Director—

(A) determines that the agency’s financial management systems cannot comply with the requirements of subsection (a) within 3 years;

“You have a right to dispute inaccurate information in your credit report by contacting the credit bureau directly. However, neither you nor any “credit repair” company or credit repair organization has the right to have accurate, current, and verifiable information removed from your credit report. The credit bureau must remove accurate, negative information from your report only if it is over 7 years old. Bankruptcy information can be reported for 10 years.

“You have a right to obtain a copy of your credit report from a credit bureau. You may be charged a reasonable fee. There is no fee, however, if you have been turned down for credit, employment, insurance, or a rental dwelling because of information in your credit report within the preceding 60 days. The credit bureau must provide someone to help you interpret the information in your credit file. You are entitled to receive a free copy of your credit report if you are unemployed and intend to apply for employment in the next 60 days, if you are a recipient of public welfare assistance, or if you have reason to believe that there is inaccurate information in your credit report due to fraud.

“You have a right to sue a credit repair organization that violates the Credit Repair Organization Act. This law prohibits deceptive practices by credit repair organizations.

“You have the right to cancel your contract with any credit repair organization for any reason within 3 business days from the date you signed it.

“Credit bureaus are required to follow reasonable procedures to ensure that the information they report is accurate. However, mistakes may occur.

“You may, on your own, notify a credit bureau in writing that you dispute the accuracy of information in your credit file. The credit bureau must then reinvestigate and modify or remove inaccurate or incomplete information. The credit bureau may not charge any fee for this service. Any pertinent information and copies of all documents you have concerning an error should be given to the credit bureau.

“If the credit bureau’s reinvestigation does not resolve the dispute to your satisfaction, you may send a brief statement to the credit bureau, to be kept in your file, explaining why you think the record is inaccurate. The credit bureau must include a summary of your statement about disputed information with any report it issues about you.

“The Federal Trade Commission regulates credit bureaus and credit repair organizations. For more information contact:

TITLE V—COQUILLE TRIBAL FOREST

SEC. 501. CREATION OF THE COQUILLE FOREST.

25 USC 715c.

(a) The Coquille Restoration Act (P.L. 101–42) is amended by inserting at the end of section 5 the following:

“(d) **CREATION OF THE COQUILLE FOREST.**—

“(1) **DEFINITIONS.**—In this subsection:

“(A) the term ‘Coquille Forest’ means certain lands in Coos County, Oregon, comprising approximately 5,400 acres, as generally depicted on the map entitled ‘Coquille Forest Proposal’, dated July 8, 1996.

“(B) the term ‘Secretary’ means the Secretary of the Interior.

“(C) the term ‘the Tribe’ means the Coquille Tribe of Coos County, Oregon.

“(2) MAP.—The map described in subparagraph (d)(1)(A), and such additional legal descriptions which are applicable, shall be placed on file at the local District Office of the Bureau of Land Management, the Agency Office of the Bureau of Indian Affairs, and with the Senate Committee on Energy and Natural Resources and the House Committee on Resources.

“(3) INTERIM PERIOD.—From the date of enactment of this subsection until two years after the date of enactment of this subsection, the Bureau of Land Management shall:

“(A) retain Federal jurisdiction for the management of lands designated under this subsection as the Coquille Forest and continue to distribute revenues from such lands in a manner consistent with existing law; and,

“(B) prior to advertising, offering or awarding any timber sale contract on lands designated under this subsection as the Coquille Forest, obtain the approval of the Assistant Secretary for Indian Affairs, acting on behalf of and in consultation with the Tribe.

(4) TRANSITION PLANNING AND DESIGNATION.—

“(A) During the two year interim period provided for in paragraph (3), the Assistant Secretary for Indian Affairs, acting on behalf of and in consultation with the Tribe, is authorized to initiate development of a forest management plan for the Coquille Forest. The Secretary, acting through the Director of the Bureau of Land Management, shall cooperate and assist in the development of such plan and in the transition of forestry management operations for the Coquille Forest to the Assistant Secretary for Indian Affairs.

“(B) Two years after the date of enactment of this subsection, the Secretary shall take the lands identified under subparagraph (d)(1)(A) into trust, and shall hold such lands in trust, in perpetuity, for the Coquille Tribe. Such lands shall be thereafter designated as the Coquille Forest.

“(C) So as to maintain the current flow of revenue from land subject to the Act entitled ‘An Act relating to the revested Oregon and California Railroad and reconveyed Coos Bay Wagon Road grant land situated in the State of Oregon’ (the O&C Act), approved August 28, 1937 (43 U.S.C. 1181a et seq.), the Secretary shall redesignate, from public domain lands within the tribe’s service area, as defined in this Act, certain lands to be subject to the O&C Act. Lands redesignated under this subparagraph shall not exceed lands sufficient to constitute equivalent timber value as compared to lands constituting the Coquille Forest.

“(5) MANAGEMENT.—The Secretary of Interior, acting through the Assistant Secretary for Indian Affairs, shall manage the Coquille Forest under applicable State and Federal forestry and environmental protection laws, and subject to critical habitat designations under the Endangered Species Act, and subject to the standards and guidelines of Federal forest

plans on adjacent or nearby Federal lands, now and in the future. The Secretary shall otherwise manage the Coquille Forest in accordance with the laws pertaining to the management of Indian Trust lands and shall distribute revenues in accord with Public Law 101–630, 25 U.S.C. 3107.

“(A) Unprocessed logs harvested from the Coquille Forest shall be subject to the same Federal statutory restrictions on export to foreign Nations that apply to unprocessed logs harvested from Federal lands.

“(B) Notwithstanding any other provision of law, all sales of timber from land subject to this subsection shall be advertised, offered and awarded according to competitive bidding practices, with sales being awarded to the highest responsible bidder.

“(6) INDIAN SELF DETERMINATION ACT AGREEMENT.—No sooner than two years after the date of enactment of this subsection, the Secretary may, upon a satisfactory showing of management competence and pursuant to the Indian Self-Determination Act (25 U.S.C. 450 et seq.), enter into a binding Indian self-determination agreement (agreement) with the Coquille Indian Tribe. Such agreement may provide for the tribe to carry out all or a portion of the forest management for the Coquille Forest.

“(A) Prior to entering such an agreement, and as a condition of maintaining such an agreement, the Secretary must find that the Coquille Tribe has entered into a binding memorandum of agreement (MOA) with the State of Oregon, as required under paragraph 7.

“(B) The authority of the Secretary to rescind the Indian self-determination agreement shall not be encumbered.

“(i) The Secretary shall rescind the agreement upon a demonstration that the tribe and the State of Oregon are no longer engaged in a memorandum of agreement as required under paragraph 7.

“(ii) The Secretary may rescind the agreement on a showing that the Tribe has managed the Coquille Forest in a manner inconsistent with this subsection, or the Tribe is no longer managing, or capable of managing, the Coquille Forest in a manner consistent with this subsection.

“(7) MEMORANDUM OF AGREEMENT.—The Coquille Tribe shall enter into a memorandum of agreement (MOA) with the State of Oregon relating to the establishment and management of the Coquille Forest. The MOA shall include, but not be limited to, the terms and conditions for managing the Coquille Forest in a manner consistent with paragraph (5) of this subsection, preserving public access, advancing jointly-held resource management goals, achieving tribal restoration objectives and establishing a coordinated management framework. Further, provisions set forth in the MOA shall be consistent with federal trust responsibility requirements applicable to Indian trust lands and paragraph (5) of this subsection.

“(8) PUBLIC ACCESS.—The Coquille Forest shall remain open to public access for purposes of hunting, fishing, recreation and transportation, except when closure is required by state or federal law, or when the Coquille Indian Tribe and the

State of Oregon agree in writing that restrictions on access are necessary or appropriate to prevent harm to natural resources, cultural resources or environmental quality; *Provided*, That the State of Oregon's agreement shall not be required when immediate action is necessary to protect archaeological resources.

“(9) JURISDICTION.—

“(A) The United States District Court for the District of Oregon shall have jurisdiction over actions against the Secretary arising out of claims that this subsection has been violated. Consistent with existing precedents on standing to sue, any affected citizen may bring suit against the Secretary for violations of this subsection, except that suit may not be brought against the Secretary for claims that the MOA has been violated. The Court has the authority to hold unlawful and set aside actions pursuant to this subsection that are arbitrary and capricious, an abuse of discretion, or otherwise an abuse of law.

“(B) The United States District Court for the District of Oregon shall have jurisdiction over actions between the State of Oregon and the Tribe arising out of claims of breach of the MOA.

“(C) Unless otherwise provided for by law, remedies available under this subsection shall be limited to equitable relief and shall not include damages.

“(10) STATE REGULATORY AND CIVIL JURISDICTION.—In addition to the jurisdiction described in paragraph 7 of this subsection, the State of Oregon may exercise exclusive regulatory civil jurisdiction, including but not limited to adoption and enforcement of administrative rules and orders, over the following subjects:

“(A) management, allocation and administration of fish and wildlife resources, including but not limited to establishment and enforcement of hunting and fishing seasons, bag limits, limits on equipment and methods, issuance of permits and licenses, and approval or disapproval of hatcheries, game farms, and other breeding facilities; *Provided*, That nothing herein shall be construed to permit the State of Oregon to manage fish or wildlife habitat on Coquille Forest lands;

“(G) regulation of water quality, air quality (including smoke management), solid and hazardous waste, and remediation of releases of hazardous substances;

“(H) regulation of the use of herbicides and pesticides; and

“(I) enforcement of public health and safety standards, including standards for the protection of workers, well construction and codes governing the construction of bridges, buildings, and other structures.

“(11) SAVINGS CLAUSE, STATE AUTHORITY.—

“(A) Nothing in this subsection shall be construed to grant tribal authority over private or State-owned lands.

“(B) To the extent that the State of Oregon is regulating the foregoing areas pursuant to a delegated Federal authority or a Federal program, nothing in this subsection shall be construed to enlarge or diminish the State’s authority under such law.

“(C) Where both the State of Oregon and the United States are regulating, nothing herein shall be construed to alter their respective authorities.

“(D) To the extent that Federal law authorizes the Coquille Indian Tribe to assume regulatory authority over an area, nothing herein shall be construed to enlarge or diminish the tribe’s authority to do so under such law.

“(E) Unless and except to the extent that the tribe has assumed jurisdiction over the Coquille Forest pursuant to Federal law, or otherwise with the consent of the State, the State of Oregon shall have jurisdiction and authority to enforce its laws addressing the subjects listed in subparagraph 10 of this subsection on the Coquille Forest against the Coquille Indian Tribe, its members and all other persons and entities, in the same manner and with the same remedies and protections and appeal rights as otherwise provided by general Oregon law. Where the State of Oregon and Coquille Indian Tribe agree regarding the exercise of tribal civil regulatory jurisdiction over activities on the Coquille Forest lands, the tribe may exercise such jurisdiction as its agreed upon.

“(12) In the event of a conflict between Federal and State law under this subsection, Federal law shall control.”

TITLE VIII—UMPQUA RIVER LAND EXCHANGE STUDY

SEC. 801. UMPQUA RIVER LAND EXCHANGE STUDY: POLICY AND DIRECTION.

(a) **IN GENERAL.**—The Secretaries of the Interior and Agriculture (Secretaries) are hereby authorized and directed to consult, coordinate, and cooperate with the Umpqua Land Exchange Project (ULEP), affected units and agencies of State and local government, and, as appropriate, the World Forestry Center and National Fish and Wildlife Foundation, to assist ULEP's ongoing efforts in studying and analyzing land exchange opportunities in the Umpqua River Basin and to provide scientific, technical, research, mapping and other assistance and information to such entities. Such consultation, coordination, and cooperation shall at a minimum include, but not be limited to:

(1) working with ULEP to develop or assemble comprehensive scientific and other information (including comprehensive and integrated mapping) concerning the Umpqua River Basin's resources of forest, plants, wildlife, fisheries (anadromous and other), recreational opportunities, wetlands, riparian habitat, and other physical or natural resources;

(2) working with ULEP to identify general or specific areas within the basin where land exchanges could promote consolidation of forestland ownership for long-term, sustained timber production; protection and restoration of habitat for plants, fish, and wildlife (including any federally listed threatened or endangered species); protection of drinking water supplies; recovery of threatened and endangered species; protection and restoration of wetlands, riparian lands, and other environmentally sensitive areas; consolidation of land ownership for improved public access and a broad array of recreational uses; and consolidation of land ownership to achieve management efficiency and reduced costs of administration; and

(3) developing a joint report for submission to the Congress which discusses land exchange opportunities in the basin and outlines either a specific land exchange proposal or proposals which may merit consideration by the Secretaries or the Congress, or ideas and recommendations for new authorizations, direction, or changes in existing law or policy to expedite and facilitate the consummation of beneficial land exchanges in the basin via administrative means.

(b) **MATTERS FOR SPECIFIC STUDY.**—In analyzing land exchange opportunities with ULEP, the Secretaries shall give priority to assisting ULEP's ongoing efforts in:

(1) studying, identifying, and mapping areas where the consolidation of land ownership via land exchanges could promote the goals of long term species and watershed protection and utilization, including but not limited to the goals of the Endangered Species Act of 1973 more effectively than current land ownership patterns and whether any changes in law or policy applicable to such lands after consummation of an exchange would be advisable or necessary to achieve such goals;

(2) studying, identifying and mapping areas where land exchanges might be utilized to better satisfy the goals of sustainable timber harvest, including studying whether changes in existing law or policy applicable to such lands after consummation of an exchange would be advisable or necessary to achieve such goals;

(3) identifying issues and studying options and alternatives, including possible changes in existing law or policy, to insure that combined post-exchange revenues to units of local government from State and local property, severance, and other taxes or levies and shared Federal land receipts will approximate pre-exchange revenues;

(4) identifying issues and studying whether possible changes in law, special appraisal instruction, or changes in certain Federal appraisal procedures might be advisable or necessary to facilitate the appraisal of potential exchange lands which may have special characteristics or restrictions affecting land values;

(5) identifying issues and studying options and alternatives, including changes in existing laws or policy, for achieving land exchanges without reducing the net supply of timber available to small businesses;

(6) identifying, mapping, and recommending potential changes in land use plans, land classifications, or other actions which might be advisable or necessary to expedite, facilitate or consummate land exchanges in certain areas;

(7) analyzing potential sources for new or enhanced Federal, State, or other funding to promote improved resource protection, species recovery, and management in the basin; and

(8) identifying and analyzing whether increased efficiency and better land and resource management could occur through either consolidation of Federal forest management under one agency or exchange lands between the Forest Service and the Bureau of Land Management.

SEC. 802. REPORT TO CONGRESS.

No later than February 1, 1998, ULEP and the Secretaries shall submit a joint report to the Committee on Resources of the United States House of Representatives and to the Committee on Energy and Natural Resources of the United States Senate concerning their studies, findings, recommendations, mapping and other activities conducted pursuant to this title.

“(ii) after consulting with appropriate security agencies of the United States Government, concludes that disclosure of the information would be prejudicial to the public interest, safety, or security, the Attorney General may order the alien removed without further inquiry or hearing by an immigration judge.

“(C) If the Attorney General does not order the removal of the alien under subparagraph (B), the Attorney General shall specify the further inquiry or hearing that shall be conducted in the case.

“(A) if the alien is an applicant for admission, that the alien is clearly and beyond doubt entitled to be admitted and is not inadmissible under section 212; or

“(ii) certified in writing by a Service official as having been received electronically from the State’s record repository or the court’s record repository.

A certification under clause (i) may be by means of a computer-generated signature and statement of authenticity.

“(i) IN GENERAL.—Except as provided in this subparagraph, the motion to reopen shall be filed within 90 days of the date of entry of a final administrative order of removal.

“(ii) ASYLUM.—There is no time limit on the filing of a motion to reopen if the basis of the motion is to apply for relief under sections 208 or 241(b)(3) and is based on changed country conditions arising in the country of nationality or the country to which removal has been ordered, if such evidence is material and was not available and would not have been discovered or presented at the previous proceeding.

“(iii) FAILURE TO APPEAR.—The filing of a motion to reopen an order entered pursuant to subsection (b)(5) is subject to the deadline specified in subparagraph (C) of such subsection.

“(d) STIPULATED REMOVAL.—The Attorney General shall provide by regulation for the entry by an immigration judge of an order of removal stipulated to by the alien (or the alien’s representative) and the Service. 237(a)(2)(A)(iii), (B), (C), or (D), or any offense covered by section 237(a)(2)(A)(ii) for which both predicate offenses are, without regard to their date of commission, otherwise covered by section 237(a)(2)(A)(i).

“(3) TREATMENT OF CERTAIN DECISIONS.—No alien shall have a right to appeal from a decision of an immigration judge which is based solely on a certification described in section 240(c)(1)(B).

“(b) REQUIREMENTS FOR REVIEW OF ORDERS OF REMOVAL.—With respect to review of an order of removal under subsection (a)(1), the following requirements apply:

“(1) DEADLINE.—The petition for review must be filed not later than 30 days after the date of the final order of removal.

“(2) VENUE AND FORMS.—The petition for review shall be filed with the court of appeals for the judicial circuit in which the immigration judge completed the proceedings. The record and briefs do not have to be printed. The court of appeals shall review the proceeding on a typewritten record and on typewritten briefs.

“(A) IN GENERAL.—The respondent is the Attorney General. The petition shall be served on the Attorney General and on the officer or employee of the Service in charge of the Service district in which the final order of removal under section 240 was entered.

“(B) STAY OF ORDER.—Service of the petition on the officer or employee does not stay the removal of an alien pending the court’s decision on the petition, unless the court orders otherwise.

“(C) ALIEN’S BRIEF.—The alien shall serve and file a brief in connection with a petition for judicial review not later than 40 days after the date on which the administrative record is available, and may serve and file a reply brief not later than 14 days after service of the brief of the Attorney General, and the court may not extend these deadlines except upon motion for good cause shown. If an alien fails to file a brief within the time provided in this paragraph, the court shall dismiss the appeal unless a manifest injustice would result.

“(4) SCOPE AND STANDARD FOR REVIEW.—Except as provided in paragraph (5)(B)—

“(5) TREATMENT OF NATIONALITY CLAIMS.—

“(A) COURT DETERMINATION IF NO ISSUE OF FACT.—If the petitioner claims to be a national of the United

States and the court of appeals finds from the pleadings and affidavits that no genuine issue of material fact about the petitioner’s nationality is presented, the court shall decide the nationality claim.

“(B) TRANSFER IF ISSUE OF FACT.—If the petitioner claims to be a national of the United States and the court of appeals finds that a genuine issue of material fact about the petitioner’s nationality is presented, the court shall transfer the proceeding to the district court of the United States for the judicial district in which the petitioner resides for a new hearing on the nationality claim and a decision on that claim as if an action had been brought in the district court under section 2201 of title 28, United States Code.

“(C) LIMITATION ON DETERMINATION.—The petitioner may have such nationality claim decided only as provided in this paragraph.

“(6) CONSOLIDATION WITH REVIEW OF MOTIONS TO REOPEN OR RECONSIDER.—When a petitioner seeks review of an order under this section, any review sought of a motion to reopen or reconsider the order shall be consolidated with the review of the order.

The district court, without a jury, shall decide the motion before trial.

“(B) CLAIMS OF UNITED STATES NATIONALITY.—If the defendant claims in the motion to be a national of the United States and the district court finds that—

“(i) no genuine issue of material fact about the defendant’s nationality is presented, the court shall decide the motion only on the administrative record on which the removal order is based and the administrative findings of fact are conclusive if supported by reasonable, substantial, and probative evidence on the record considered as a whole; or

“(ii) a genuine issue of material fact about the defendant’s nationality is presented, the court shall hold a new hearing on the nationality claim and decide that claim as if an action had been brought under section 2201 of title 28, United States Code.

The defendant may have such nationality claim decided only as provided in this subparagraph.

“(C) CONSEQUENCE OF INVALIDATION.—If the district court rules that the removal order is invalid, the court shall dismiss the indictment for violation of section 243(a). The United States Government may appeal the dismissal to the court of appeals for the appropriate circuit within 30 days after the date of the dismissal.

“(D) LIMITATION ON FILING PETITIONS FOR REVIEW.—The defendant in a criminal proceeding under section 243(a) may not file a petition for review under subsection (a) during the criminal proceeding.

“(8) CONSTRUCTION.—This subsection—

“(B) does not relieve the alien from complying with section 241(a)(4) and section 243(g); and

“(C) does not require the Attorney General to defer removal of the alien.

“(9) CONSOLIDATION OF QUESTIONS FOR JUDICIAL REVIEW.—Judicial review of all questions of law and fact, including interpretation and application of constitutional and statutory provisions, arising from any action taken or proceeding brought to remove an alien from the United States under this title shall be available only in judicial review of a final order under this section.

“(d) REVIEW OF FINAL ORDERS.—A court may review a final order of removal only if—

“(1) the alien has exhausted all administrative remedies available to the alien as of right, and

“(2) another court has not decided the validity of the order, unless the reviewing court finds that the petition presents grounds that could not have been presented in the prior judicial proceeding or that the remedy provided by the prior proceeding was inadequate or ineffective to test the validity of the order.

“(e) JUDICIAL REVIEW OF ORDERS UNDER SECTION 235(b)(1).—

“(1) LIMITATIONS ON RELIEF.—Without regard to the nature of the action or claim and without regard to the identity of the party or parties bringing the action, no court may—

(b) SENSE OF THE CONGRESS WITH RESPECT TO PROGRAM.—

(1) FINDINGS.—The Congress finds as follows:

(A) Of the \$130,000,000 appropriated in fiscal year 1995 for the State Criminal Alien Assistance Program, the Department of Justice disbursed the first \$43,000,000 to States on October 6, 1994, 32 days before the 1994 general election, and then failed to disburse the remaining \$87,000,000 until January 31, 1996, 123 days after the end of fiscal year 1995.

(B) While H.R. 2880, the continuing appropriation measure funding certain operations of the Federal Government from January 26, 1996 to March 15, 1996, included \$66,000,000 to reimburse States for the cost of incarcerating documented illegal immigrant felons, the Department of Justice failed to disburse any of the funds to the States during the period of the continuing appropriation.

(2) SENSE OF THE CONGRESS.—It is the sense of the Congress that—

(A) the Department of Justice was disturbingly slow in disbursing fiscal year 1995 funds under the State Criminal Alien Assistance Program to States after the initial grants were released just prior to the 1994 election; and

(B) the Attorney General should make it a high priority to expedite the disbursement of Federal funds intended to reimburse States for the cost of incarcerating illegal immigrants, aiming for all State Criminal Alien Assistance Program funds to be disbursed during the fiscal year for which they are appropriated.

SEC. 330. PRISONER TRANSFER TREATIES.

(a) NEGOTIATIONS WITH OTHER COUNTRIES.—(1) Congress advises the President to begin to negotiate and renegotiate, not later than 90 days after the date of enactment of this Act, bilateral prisoner transfer treaties, providing for the incarceration, in the country of the alien's nationality, of any alien who—

(A) is a national of a country that is party to such a treaty; and

(B) has been convicted of a criminal offense under Federal or State law and who—

(i) is not in lawful immigration status in the United States, or

(ii) on the basis of conviction for a criminal offense under Federal or State law, or on any other basis, is subject to deportation or removal under the Immigration and Nationality Act,

for the duration of the prison term to which the alien was sentenced for the offense referred to in subparagraph (B). Any such agreement may provide for the release of such alien pursuant to parole procedures of that country.

(2) In entering into negotiations under paragraph (1), the President may consider providing for appropriate compensation, subject to the availability of appropriations, in cases where the United States is able to independently verify the adequacy of the sites where aliens will be imprisoned and the length of time the alien is actually incarcerated in the foreign country under such a treaty.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that—

(1) the focus of negotiations for such agreements should be—

(A) to expedite the transfer of aliens unlawfully in the United States who are (or are about to be) incarcerated in United States prisons,

(B) to ensure that a transferred prisoner serves the balance of the sentence imposed by the United States courts,

(C) to eliminate any requirement of prisoner consent to such a transfer, and

(D) to allow the Federal Government or the States to keep their original prison sentences in force so that transferred prisoners who return to the United States prior to the completion of their original United States sentences can be returned to custody for the balance of their prison sentences;

(2) the Secretary of State should give priority to concluding an agreement with any country for which the President determines that the number of aliens described in subsection (a) who are nationals of that country in the United States represents a significant percentage of all such aliens in the United States; and

(3) no new treaty providing for the transfer of aliens from Federal, State, or local incarceration facilities to a foreign incarceration facility should permit the alien to refuse the transfer.

(c) PRISONER CONSENT.—Notwithstanding any other provision of law, except as required by treaty, the transfer of an alien from a Federal, State, or local incarceration facility under an agreement of the type referred to in subsection (a) shall not require consent of the alien.

(d) ANNUAL REPORT.—Not later than 90 days after the date of the enactment of this Act, and annually thereafter, the Attorney General shall submit a report to the Committees on the Judiciary of the House of Representatives and of the Senate stating whether each prisoner transfer treaty to which the United States is a party has been effective in the preceding 12 months in bringing about the return of deportable incarcerated aliens to the country of which they are nationals and in ensuring that they serve the balance of their sentences.

(e) TRAINING FOREIGN LAW ENFORCEMENT PERSONNEL.—(1) Subject to paragraph (2), the President shall direct the Border Patrol Academy and the Customs Service Academy to enroll for

training an appropriate number of foreign law enforcement personnel, and shall make appointments of foreign law enforcement personnel to such academies, as necessary to further the following United States law enforcement goals:

(A) Preventing of drug smuggling and other cross-border criminal activity.

(B) Preventing illegal immigration.

(C) Preventing the illegal entry of goods into the United States (including goods the sale of which is illegal in the United States, the entry of which would cause a quota to be exceeded, or the appropriate duty or tariff for which has not been paid).

(2) The appointments described in paragraph (1) shall be made only to the extent there is capacity in such academies beyond what is required to train United States citizens needed in the Border Patrol and Customs Service, and only of personnel from a country with which the prisoner transfer treaty has been stated to be effective in the most recent report referred to in subsection (d).

(f) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated such sums as may be necessary to carry out this section.

Such recommendations shall address—

(1) changes in Federal laws, regulations, and policies affecting the identification, prosecution, and deportation of aliens who have committed criminal offenses in the United States;

(2) changes in State and local laws, regulations, and policies affecting the identification, prosecution, and deportation of aliens who have committed a criminal offense in the United States;

(B) REJECTION OF ELECTIONS.—The Attorney General may reject an election by a person or other entity under this section or limit its applicability to certain States or places of hiring (or recruitment or referral) if the Attorney General has determined that there are insufficient

resources to provide appropriate services under a pilot program for the person's or entity's hiring (or recruitment or referral) in any or all States or places of hiring.

(4) TERMINATION OF ELECTIONS.—The Attorney General may terminate an election by a person or other entity under this section because the person or entity has substantially failed to comply with its obligations under the pilot program. A person or other entity may terminate an election in such form and manner as the Attorney General shall specify.

(3) ASSISTANCE THROUGH DISTRICT OFFICES.—The Attorney General shall designate one or more individuals in each District office of the Immigration and Naturalization Service for a Service District in which a pilot program is being implemented—

(A) to inform persons and other entities that seek information about pilot programs of the voluntary nature of such programs, and

(B) to assist persons and other entities in electing and participating in any pilot programs in effect in the District, in complying with the requirements of section 274A, and in facilitating confirmation of the identity and employment eligibility of individuals consistent with such section.

(e) SELECT ENTITIES REQUIRED TO PARTICIPATE IN A PILOT PROGRAM.—

(1) FEDERAL GOVERNMENT.—

(A) EXECUTIVE DEPARTMENTS.—

(i) IN GENERAL.—Each Department of the Federal Government shall elect to participate in a pilot program and shall comply with the terms and conditions of such an election.

(ii) ELECTION.—Subject to clause (iii), the Secretary of each such Department—

(I) shall elect the pilot program (or programs) in which the Department shall participate, and

(II) may limit the election to hiring occurring in certain States (or geographic areas) covered by the program (or programs) and in specified divisions within the Department, so long as all hiring by such divisions and in such locations is covered.

(I) a significant portion of the total hiring within each Department within States covered by a pilot program is covered under such a program, and

(II) there is significant participation by the Federal Executive branch in each of the pilot programs.

(B) LEGISLATIVE BRANCH.—Each Member of Congress, each officer of Congress, and the head of each agency of the legislative branch, that conducts hiring in a State in which a pilot program is operating shall elect to participate in a pilot program, may specify which pilot program or programs (if there is more than one) in which the Member, officer, or agency will participate, and shall comply with the terms and conditions of such an election.

(2) APPLICATION TO CERTAIN VIOLATORS.—An order under section 274A(e)(4) or section 274B(g) of the Immigration and Nationality Act may require the subject of the order to participate in, and comply with the terms of, a pilot program with respect to the subject's hiring (or recruitment or referral) of individuals in a State covered by such a program.

(3) CONSEQUENCE OF FAILURE TO PARTICIPATE.—If a person or other entity is required under this subsection to participate in a pilot program and fails to comply with the requirements of such program with respect to an individual—

(A) such failure shall be treated as a violation of section 274A(a)(1)(B) with respect to that individual, and

(B) a rebuttable presumption is created that the person or entity has violated section 274A(a)(1)(A).

Subparagraph (B) shall not apply in any prosecution under section 274A(f)(1).

(f) CONSTRUCTION.—This subtitle shall not affect the authority of the Attorney General under any other law (including section 274A(d)(4)) to conduct demonstration projects in relation to section 274A.

SEC. 403. PROCEDURES FOR PARTICIPANTS IN PILOT PROGRAMS.

(a) BASIC PILOT PROGRAM.—A person or other entity that elects to participate in the basic pilot program described in this subsection agrees to conform to the following procedures in the case of the hiring (or recruitment or referral) for employment in the United States of each individual covered by the election:

(1) PROVISION OF ADDITIONAL INFORMATION.—The person or entity shall obtain from the individual (and the individual shall provide) and shall record on the I-9 or similar form—

(A) the individual's social security account number, if the individual has been issued such a number, and

(B) if the individual does not attest to United States citizenship under section 274A(b)(2), such identification or authorization number established by the Immigration and Naturalization Service for the alien as the Attorney General shall specify,

and shall retain the original form and make it available for inspection for the period and in the manner required of I-9 forms under section 274A(b)(3).

(2) PRESENTATION OF DOCUMENTATION.—

(A) IN GENERAL.—The person or other entity, and the individual whose identity and employment eligibility are being confirmed, shall, subject to subparagraph (B), fulfill the requirements of section 274A(b) with the following modifications:

(i) A document referred to in section 274A(b)(1)(B)(ii) (as redesignated by section 412(a) of this division) must be designated by the Attorney General as suitable for the purpose of identification in a pilot program.

(ii) A document referred to in section 274A(b)(1)(D) must contain a photograph of the individual.

(iii) The person or other entity has complied with the requirements of section 274A(b)(1) with respect to examination of a document if the document reasonably appears on its face to be genuine and it reasonably appears to pertain to the individual whose identity and work eligibility is being confirmed.

(B) LIMITATION OF REQUIREMENT TO EXAMINE DOCUMENTATION.—If the Attorney General finds that a pilot program would reliably determine with respect to an individual whether—

(i) the person with the identity claimed by the individual is authorized to work in the United States, and

(ii) the individual is claiming the identity of another person,

if a person or entity could fulfill the requirement to examine documentation contained in subparagraph (A) of section 274A(b)(1) by examining a document specified in either subparagraph (B) or (D) of such section, the Attorney General may provide that, for purposes of such requirement, only such a document need be examined. In such case, any reference in section 274A(b)(1)(A) to a verification that an individual is not an unauthorized alien shall be deemed to be a verification of the individual's identity.

(3) SEEKING CONFIRMATION.—

(A) IN GENERAL.—The person or other entity shall make an inquiry, as provided in section 404(a)(1) of this division, using the confirmation system to seek confirmation of the identity and employment eligibility of an individual, by not later than the end of 3 working days (as specified by the Attorney General) after the date of the hiring (or recruitment or referral, as the case may be).

(B) EXTENSION OF TIME PERIOD.—If the person or other entity in good faith attempts to make an inquiry during such 3 working days and the confirmation system has registered that not all inquiries were received during such time, the person or entity can make an inquiry in the first subsequent working day in which the confirmation system registers that it has received all inquiries. If the confirmation system cannot receive inquiries at all times during a day, the person or entity merely has to assert that the entity attempted to make the inquiry on that day for the previous sentence to apply to such an inquiry, and does not have to provide any additional proof concerning such inquiry.

(4) CONFIRMATION OR NONCONFIRMATION.—

(A) CONFIRMATION UPON INITIAL INQUIRY.—If the person or other entity receives an appropriate confirmation of an individual's identity and work eligibility under the confirmation system within the time period specified under

section 404(b) of this division, the person or entity shall record on the I-9 or similar form an appropriate code that is provided under the system and that indicates a final confirmation of such identity and work eligibility of the individual.

(B) NONCONFIRMATION UPON INITIAL INQUIRY AND SECONDARY VERIFICATION.—

(i) NONCONFIRMATION.—If the person or other entity receives a tentative nonconfirmation of an individual's identity or work eligibility under the confirmation system within the time period specified under 404(b) of this division, the person or entity shall so inform the individual for whom the confirmation is sought.

(ii) NO CONTEST.—If the individual does not contest the nonconfirmation within the time period specified in section 404(c) of this division, the nonconfirmation shall be considered final. The person or entity shall then record on the I-9 or similar form an appropriate code which has been provided under the system to indicate a tentative nonconfirmation.

(iii) CONTEST.—If the individual does contest the nonconfirmation, the individual shall utilize the process for secondary verification provided under section 404(c) of this division. The nonconfirmation will remain tentative until a final confirmation or nonconfirmation is provided by the confirmation system within the time period specified in such section. In no case shall an employer terminate employment of an individual because of a failure of the individual to have identity and work eligibility confirmed under this section until a nonconfirmation becomes final. Nothing in this clause shall apply to a termination of employment for any reason other than because of such a failure.

(iv) RECORDING OF CONCLUSION ON FORM.—If a final confirmation or nonconfirmation is provided by the confirmation system under section 404(c) of this division regarding an individual, the person or entity shall record on the I-9 or similar form an appropriate code that is provided under the system and that indicates a confirmation or nonconfirmation of identity and work eligibility of the individual.

(C) CONSEQUENCES OF NONCONFIRMATION.—

(i) TERMINATION OR NOTIFICATION OF CONTINUED EMPLOYMENT.—If the person or other entity has received a final nonconfirmation regarding an individual under subparagraph (B), the person or entity may terminate employment (or recruitment or referral) of the individual. If the person or entity does not terminate employment (or recruitment or referral) of the individual, the person or entity shall notify the Attorney General of such fact through the confirmation system or in such other manner as the Attorney General may specify.

(ii) FAILURE TO NOTIFY.—If the person or entity fails to provide notice with respect to an individual as required under clause (i), the failure is deemed

to constitute a violation of section 274A(a)(1)(B) with respect to that individual and the applicable civil monetary penalty under section 274A(e)(5) shall be (notwithstanding the amounts specified in such section) no less than \$500 and no more than \$1,000 for each individual with respect to whom such violation occurred.

(iii) CONTINUED EMPLOYMENT AFTER FINAL NON-CONFIRMATION.—If the person or other entity continues to employ (or to recruit or refer) an individual after receiving final nonconfirmation, a rebuttable presumption is created that the person or entity has violated section 274A(a)(1)(A). The previous sentence shall not apply in any prosecution under section 274A(f)(1).

(b) CITIZEN ATTESTATION PILOT PROGRAM.—

(1) IN GENERAL.—Except as provided in paragraphs (3) through (5), the procedures applicable under the citizen attestation pilot program under this subsection shall be the same procedures as those under the basic pilot program under subsection (a).

(2) RESTRICTIONS.—

(A) STATE DOCUMENT REQUIREMENT TO PARTICIPATE IN PILOT PROGRAM.—The Attorney General may not provide for the operation of the citizen attestation pilot program in a State unless each driver's license or similar identification document described in section 274A(b)(1)(D)(i) issued by the State—

(i) contains a photograph of the individual involved, and

(ii) has been determined by the Attorney General to have security features, and to have been issued through application and issuance procedures, which make such document sufficiently resistant to counterfeiting, tampering, and fraudulent use that it is a reliable means of identification for purposes of this section.

(B) AUTHORIZATION TO LIMIT EMPLOYER PARTICIPATION.—The Attorney General may restrict the number of persons or other entities that may elect to participate in the citizen attestation pilot program under this subsection as the Attorney General determines to be necessary to produce a representative sample of employers and to reduce the potential impact of fraud.

(3) NO CONFIRMATION REQUIRED FOR CERTAIN INDIVIDUALS ATTESTING TO U.S. CITIZENSHIP.—In the case of a person or other entity hiring (or recruiting or referring) an individual under the citizen attestation pilot program, if the individual attests to United States citizenship (under penalty of perjury on an I-9 or similar form which form states on its face the criminal and other penalties provided under law for a false representation of United States citizenship)—

SEC. 652. MAIL-ORDER BRIDE BUSINESS.

8 USC 1375.

(a) **FINDINGS.**—The Congress finds as follows:

(1) There is a substantial “mail-order bride” business in the United States. With approximately 200 companies in the United States, an estimated 2,000 to 3,500 men in the United States find wives through mail-order bride catalogs each year. However, there are no official statistics available on the number of mail-order brides entering the United States each year.

(2) The companies engaged in the mail-order bride business earn substantial profits.

(3) Although many of these mail-order marriages work out, in many other cases, anecdotal evidence suggests that mail-order brides find themselves in abusive relationships. There is also evidence to suggest that a substantial number of mail-order marriages are fraudulent under United States law.

(4) Many mail-order brides come to the United States unaware or ignorant of United States immigration law. Mail-order brides who are battered often think that if they flee an abusive marriage, they will be deported. Often the citizen spouse threatens to have them deported if they report the abuse.

(5) The Immigration and Naturalization Service estimates that the rate of marriage fraud between foreign nationals and United States citizens or aliens lawfully admitted for permanent residence is 8 percent. It is unclear what percentage of these marriage fraud cases originate as mail-order marriages.

(b) **INFORMATION DISSEMINATION.**—

(1) **REQUIREMENT.**—Each international matchmaking organization doing business in the United States shall disseminate to recruits, upon recruitment, such immigration and naturalization information as the Immigration and Naturalization Service deems appropriate, in the recruit’s native language, including information regarding conditional permanent residence status and the battered spouse waiver under such status, permanent resident status, marriage fraud penalties, the unregulated nature of the business engaged in by such organizations, and the study required under subsection (c).

(2) **CIVIL PENALTY.**—

(A) **VIOLATION.**—Any international matchmaking organization that the Attorney General determines has violated subsection (b) shall be subject, in addition to any other penalties that may be prescribed by law, to a civil money penalty of not more than \$20,000 for each such violation.

(B) **PROCEDURES FOR IMPOSITION OF PENALTY.**—Any penalty under subparagraph (A) may be imposed only after notice and opportunity for an agency hearing on the record in accordance with sections 554 through 557 of title 5, United States Code.

(c) **STUDY.**—The Attorney General, in consultation with the Commissioner of Immigration and Naturalization and the Director of the Violence Against Women Initiative of the Department of Justice, shall conduct a study of mail-order marriages to determine, among other things—

(1) the number of such marriages;

(2) the extent of marriage fraud in such marriages, including an estimate of the extent of marriage fraud arising from the services provided by international matchmaking organizations;

(3) the extent to which mail-order spouses utilize section 244(a)(3) of the Immigration and Nationality Act (providing for suspension of deportation in certain cases involving abuse), or section 204(a)(1)(A)(iii) of such Act (providing for certain aliens who have been abused to file a classification petition on their own behalf);

(4) the extent of domestic abuse in mail-order marriages; and

(5) the need for continued or expanded regulation and education to implement the objectives of the Violence Against Women Act of 1994 and the Immigration Marriage Fraud Amendments of 1986 with respect to mail-order marriages.

(d) REPORT.—Not later than 1 year after the date of the enactment of this Act, the Attorney General shall submit a report to the Committees on the Judiciary of the House of Representatives and of the Senate setting forth the results of the study conducted under subsection (c).

(e) DEFINITIONS.—As used in this section:

(1) INTERNATIONAL MATCHMAKING ORGANIZATION.—

(A) IN GENERAL.—The term “international matchmaking organization” means a corporation, partnership, business, or other legal entity, whether or not organized under the laws of the United States or any State, that does business in the United States and for profit offers to United States citizens or aliens lawfully admitted for permanent residence, dating, matrimonial, or social referral services to nonresident noncitizens, by—

(i) an exchange of names, telephone numbers, addresses, or statistics;

(ii) selection of photographs; or

(iii) a social environment provided by the organization in a country other than the United States.

(B) EXCEPTION.—Such term does not include a traditional matchmaking organization of a religious nature that otherwise operates in compliance with the laws of the countries of the recruits of such organization and the laws of the United States.

(2) RECRUIT.—The term “recruit” means a noncitizen, nonresident person, recruited by the international matchmaking organization for the purpose of providing dating, matrimonial, or social referral services to United States citizens or aliens lawfully admitted for permanent residence.

SEC. 653. REVIEW AND REPORT ON H-2A NONIMMIGRANT WORKERS PROGRAM.

(a) SENSE OF THE CONGRESS.—It is the sense of the Congress that the H2-A nonimmigrant worker program should be reviewed and may need improvement in order to meet the need of producers of labor-intensive agricultural commodities and livestock in the United States for an adequate workforce.

(b) REVIEW.—The Comptroller General shall review the effectiveness of the H-2A nonimmigrant worker program to ensure that the program provides a sufficient supply of agricultural labor

in the event of future shortages of domestic workers after the enactment of this Act. Among other things, the Comptroller General shall review the H-2A nonimmigrant worker program to determine—

(1) whether the program ensures that an adequate supply of qualified United States workers is available at the time and place needed for employers seeking such workers after the date of enactment of this Act;

(2) whether the program ensures that there is timely approval of applications for temporary foreign workers under the program in the event of shortages of United States workers after the date of the enactment of this Act;

(3) whether the program ensures that implementation of the program is not displacing United States agricultural workers or diminishing the terms and conditions of employment of United States agricultural workers;

(4) if, and to what extent, the program is contributing to the problem of illegal immigration; and

(5) that the program adequately meets the needs of agricultural employers for all types of temporary foreign agricultural workers, including higher-skilled workers in occupations which require a level of specific vocational preparation of 4 or higher (as described in the 4th edition of the Dictionary of Occupational Title, published by the Department of Labor).

(c) REPORT.—Not later than December 31, 1996, or 3 months after the date of the enactment of this Act, whichever occurs earlier, the Comptroller General shall submit a report to the appropriate committees of the Congress setting forth the conclusions of the Comptroller General from the review conducted under subsection (b).

(d) DEFINITIONS.—As used in this section:

(1) The term “Comptroller General” means the Comptroller General of the United States.

(2) The term “H-2A nonimmigrant worker program” means the program for the admission of nonimmigrant aliens described in section 101(a)(15)(H)(ii)(a) of the Immigration and Nationality Act.

SEC. 654. REPORT ON ALLEGATIONS OF HARASSMENT BY CANADIAN CUSTOMS AGENTS.

(a) STUDY AND REVIEW.—

(1) IN GENERAL.—Not later than 30 days after the date of the enactment of this Act, the Commissioner of the United States Customs Service shall initiate a study of harassment by Canadian customs agents allegedly undertaken for the purpose of deterring cross-border commercial activity along the United States-New Brunswick border. Such study shall include a review of the possible connection between any incidents of harassment and the discriminatory imposition of the New Brunswick provincial sales tax on goods purchased in the United States by New Brunswick residents, and with any other actions taken by the Canadian provincial governments to deter cross-border commercial activities.

(2) CONSULTATION.—In conducting the study under paragraph (1), the Commissioner of the United States Customs Service shall consult with representatives of the State of Maine,

local governments, local businesses, and any other knowledgeable persons who the Commissioner considers to be important to the completion of the study.

(b) **REPORT.**—Not later than 120 days after the date of the enactment of this Act, the Commissioner of the United States Customs Service shall submit to the Committees on the Judiciary of the House of Representatives and of the Senate a report on the study and review conducted under subsection (a). The report shall include recommendations for steps that the United States Government can take to help end any harassment by Canadian customs agents that is found to have occurred.

SEC. 655. SENSE OF CONGRESS ON DISCRIMINATORY APPLICATION OF NEW BRUNSWICK PROVINCIAL SALES TAX.

(a) **FINDINGS.**—The Congress finds as follows:

(1) In July 1993, Canadian customs officers began collecting an 11 percent New Brunswick provincial sales tax on goods purchased in the United States by New Brunswick residents, an action that has caused severe economic harm to United States businesses located in proximity to the border with New Brunswick.

(2) This impediment to cross-border trade compounds the damage already done from the Canadian Government's imposition of a 7 percent tax on all goods bought by Canadians in the United States.

(3) Collection of the New Brunswick provincial sales tax on goods purchased outside of New Brunswick is effected only along the United States-Canadian border, not along New Brunswick's borders with other Canadian provinces; the tax is thus being administered by Canadian authorities in a manner uniquely discriminatory to Canadians shopping in the United States.

(4) In February 1994, the United States Trade Representative publicly stated an intention to seek redress from the discriminatory application of the New Brunswick provincial sales tax under the dispute resolution process in chapter 20 of the North American Free Trade Agreement (NAFTA), but the United States Government has still not made such a claim under NAFTA procedures.

(5) Initially, the United States Trade Representative argued that filing a New Brunswick provincial sales tax claim was delayed only because the dispute mechanism under NAFTA had not yet been finalized, but more than a year after such mechanism has been put in place, the claim has still not been put forward by the United States Trade Representative.

(b) **SENSE OF CONGRESS.**—It is the sense of the Congress that—

(1) the provincial sales tax levied by the Canadian province of New Brunswick on Canadian citizens of that province who purchase goods in the United States—

(A) raises questions about a possible violation of the North American Free Trade Agreement in the discriminatory application of the tax to cross-border trade with the United States; and

(B) damages good relations between the United States and Canada; and

(2) the United States Trade Representative should move forward without further delay in seeking redress under the

dispute resolution process in chapter 20 of the North American Free Trade Agreement for the violation.

(II) whose birth is registered in the United States; and

(B) that—

This title may be cited as the “California Bay-Delta Environmental Enhancement and Water Security Act.”

SEC. 102. PROGRAM FUNDING.

(a) **AUTHORIZATION OF APPROPRIATIONS.**—For each of the fiscal years 1998, 1999 and 2000, there are authorized to be appropriated an additional \$143,300,000 for both (1) the initial Federal share of the cost of developing and implementing that portion of an ecosystem protection plan for the Bay-Delta, referred to as “the Category III program” emanating out of the document entitled “Principles for Agreement on Bay-Delta Standards Between the State of California and the Federal Government,” dated December 15, 1994, and, (2) the initial Federal share of the cost of developing and implementing the ecosystem restoration elements of the long-term CALFED Bay-Delta Program, pursuant to the cost-sharing agreement required by Section 78684.10 of California Senate Bill 900, Chapter 135, Statutes of 1996, signed by the Governor of California on July 11, 1996. Funds appropriated pursuant to this section shall remain available until expended and shall be administered in accordance with procedures established by CALFED Bay-Delta Program until Congress authorizes another entity that is recommended by CALFED Bay-Delta Program to carry out this section.

(b) Funds authorized to be appropriated pursuant to this section to those agencies that are currently or subsequently become participants in the CALFED Bay-Delta Program shall be in addition to the baseline funding levels established pursuant to section 103 of this title, for currently authorized projects and programs under the Central Valley Project Improvement Act, Title 34 of Public Law 102-575 and other currently authorized Federal programs for the purpose of Bay-Delta ecosystem protection and restoration.

(d) To the extent not otherwise authorized, those agencies and departments that are currently or subsequently become participants in the CALFED Bay-Delta Program are hereby authorized to undertake the activities and programs for which Federal cost sharing is provided by this section. The United States shall immediately initiate coordinated consultations and negotiations with the State

of California to expeditiously execute the cost-sharing agreement required by Section 78684.10 of California Senate Bill 900, Chapter 135, Statutes of 1996, signed by the Governor of California on July 11, 1996.
