

# Evacuation Training & Emergency Food for International Residents

There's no telling when an earthquake, fire, or other disaster may strike. For that reason, we are preparing a talk about evacuation training for international residents who live in Matsue. We will start with the "Evacuation Training Concert" at Shimane Civic Center, then return to Matsue International Community Center to listen to a talk on how to make an evacuation. Afterward, we will eat emergency food. Emergency food is food that can be preserved for a long period of time, and can be prepared and eaten easily, even outdoors. Please come learn about evacuation procedures and try some emergency food with us!

**2/26 (Wed)**

<Time>

<Place>

9:00

Matsue International Community Center (MICC) Lobby

(3405-5 Nishikawatsu-cho, Matsue-shi)
