Hamasaki (Sukunahikona Institute) TEL: 090-2406-9436 E-mail: hamasaki 0707@gmail.com

Yoshida was historically prosperous due to traditional tatara iron making, and contains the last remaining ironworks building and town.

Yoshida is also home to a historic and beautiful town, scenic rice fields lining the mountains, onsen listed in ancient texts, and culture and arts from long ago such as kagura dance and blacksmithing.

Come enjoy everything that Yoshida has to offer!
